EXXON MOBIL CORPORATION

UNDERWRITING AGREEMENT
STANDARD PROVISIONS
(DEBT SECURITIES)

March 17, 2014

From time to time, EXXON MOBIL CORPORATION, a New Jersey corporation (the “Company”), may enter into one or more underwriting agreements that provide for the sale of debt securities to the several underwriters named therein. The standard provisions set forth herein may be incorporated by reference in any such underwriting agreement (an “Underwriting Agreement”). The Underwriting Agreement, including the provisions incorporated therein by reference, is herein referred to as this Agreement. Unless otherwise defined herein, terms defined in the Underwriting Agreement are used herein as therein defined.

I.

The Company proposes to issue and sell from time to time certain of its debt securities (the “Debt Securities”) to be issued pursuant to the provisions of an Indenture, as supplemented (the “Indenture”), to be entered between the Company and Deutsche Bank Trust Company Americas as Trustee (the “Trustee”). The Debt Securities to be sold pursuant to this Agreement are referred to herein as the “Offered Securities”. The Debt Securities will have or be of varying designations, maturities, rates and times of payment of interest, selling prices, expiration dates, redemption terms, currencies and other terms.

The Company has filed with the Securities and Exchange Commission (the “Commission”) a registration statement relating to the Debt Securities, has filed such amendments thereto as may have been required prior to the date of the Underwriting Agreement and has filed with, or shall promptly hereafter file with, the Commission a prospectus supplement specifically relating to the Offered Securities pursuant to Rule 424 under the Securities Act of 1933, as amended (the “Securities Act”). The term “Registration Statement” means such registration statement as amended to the date of the Underwriting Agreement and any additional information contained in a form of prospectus or prospectus supplement that is deemed retroactively to be a part of the Registration Statement pursuant to Rule 430B under the Securities Act. The term “Basic Prospectus” means the prospectus included in the Registration Statement relating to the Debt Securities, as updated from time to time. The term “Prospectus” means the Basic Prospectus together with the prospectus supplement specifically relating to the Offered Securities, as filed with, or as shall promptly hereafter be filed with, the Commission pursuant to Rule 424 under the Securities Act. The term “preliminary prospectus” means a preliminary prospectus supplement specifically relating to the Offered Securities, together with the Basic Prospectus. As used herein, the terms “Registration Statement”, “Basic Prospectus”, “Prospectus” and “preliminary prospectus” shall include in each case the material, if any, incorporated by reference therein.

In addition, the following terms shall have the meanings ascribed to them below for purposes of this Agreement:

“General Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule A to the Underwriting Agreement.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 under the Securities Act, relating to the Offered Securities in the form filed or required to be filed with the Commission by the Company or, if not required to be filed, in the form retained in the Company’s records pursuant to Rule 433(g) under the Securities Act.

“Limited Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is not a General Use Free Writing Prospectus.

“Rules” means the rules promulgated under the Securities Act.

“Statutory Prospectus” means the prospectus relating to the Offered Securities that is included in the Registration Statement in the form first used (or made available upon request of purchasers pursuant to Rule 173 under the Securities Act) in connection with confirmation of sales of the Offered Securities, including any document incorporated by reference therein and any prospectus or prospectus supplement deemed to be a part thereof that has not been superseded or modified. For purposes of this definition, information contained in a form of prospectus (including a prospectus supplement) that is deemed retroactively to be a part of the Registration Statement pursuant to Rule 430B under the Securities Act shall be considered to be included in the Statutory Prospectus only as of the actual time that form of prospectus (including a prospectus supplement) is filed with the Commission pursuant to Rule 424(b) under the Securities Act.

“Time of Sale” means the time when sales of the Offered Securities are first made.

“Time of Sale Information” means the most recent preliminary prospectus related to the Offered Securities at the Time of Sale, together with the Basic Prospectus and each General Use Free Writing Prospectus issued at or prior to the Time of Sale.

II.

The Company is advised by the Manager that the Underwriters propose to make a public offering of their respective portions of the Offered Securities as soon after this Agreement is entered into as in the Manager's judgment is advisable. The terms of the public offering of the Offered Securities are set forth in the Prospectus.

III.

Payment for the Offered Securities shall be made by wire transfer to an account designated by the Company in immediately available funds at the time, on the date and at the place set forth in the Underwriting Agreement, upon delivery to the Manager for the respective accounts of the several Underwriters of the Offered Securities (other than Debt Securities in registered global form) registered in such names and in such denominations as the Manager shall request in writing not less than two full business days prior to the date of delivery and, in the case of Offered Securities that are Debt Securities in registered global form, upon delivery to the Depositary identified in the Underwriting Agreement of one or more global Debt Security certificates, registered in the name of the Depositary or a nominee thereof, for credit to the respective accounts of the Depositary participants. The time and date of such payment and delivery with respect to the Offered Securities are herein referred to as the Closing Date.

IV.

The several obligations of the Underwriters hereunder are subject to the following conditions:

- (a) No stop order suspending the effectiveness of the Registration Statement shall be in effect, and no proceedings for such purpose shall be pending before or threatened by the Commission and there shall have been no material adverse change in the condition of the Company and its subsidiaries, taken as a whole, from that set forth in the Registration Statement, Prospectus and Time of Sale Information; subsequent to the execution and delivery of the Underwriting Agreement and prior to the Closing Date, there has not occurred any downgrading, nor has any notice been given of (a) any intended or potential downgrading or (b) any review or possible change that does not indicate an improvement, in the rating accorded any securities of the Company by Standard & Poor's Ratings Services, a division of McGraw Hill Financial, Inc., or Moody's Investors Service, Inc., a subsidiary of Moody's Corporation (or their respective successors); and the Manager shall have received, on the Closing Date, a certificate, dated the Closing Date and signed by an executive officer of the Company, to the foregoing effect. Such certificate will also provide that

the representations and warranties of the Company contained herein are true and correct as of the Closing Date. The officer making such certificate may rely upon the best of his knowledge as to proceedings pending or threatened.

- (b) The Manager shall have received on the Closing Date an opinion of James E. Parsons, Esq., Coordinator – Corporate Securities and Finance Law of the Company, dated the Closing Date, to the effect set forth in Exhibit A attached hereto.
- (c) The Manager shall have received on the Closing Date an opinion and letter of Davis Polk & Wardwell LLP, counsel for the Company, dated the Closing Date, to the effect set forth in Exhibit B attached hereto.
- (d) The Manager shall have received on the Closing Date an opinion and letter of Latham & Watkins LLP, counsel for the Underwriters, dated the Closing Date, to the effect set forth in Exhibits C-1 and C-2, respectively, attached hereto.
- (e) The Manager shall have received letters on (1) the date of the Underwriting Agreement and (2) the Closing Date, in form and substance satisfactory to PricewaterhouseCoopers LLP and the Manager, from PricewaterhouseCoopers LLP, independent certified public accountants, containing statements and information of the type ordinarily included in accountants’ “comfort letters” to underwriters with respect to the financial statements and certain financial information contained in or incorporated by reference in the Registration Statement and the Prospectus.

V.

In further consideration of the agreements of the Underwriters contained in this Agreement, the Company agrees as follows:

- (a) To furnish the Manager, without charge, a copy of the Registration Statement including exhibits and materials, if any, incorporated by reference therein and, during the period mentioned in paragraph (c) below, as many copies of the Prospectus, any documents incorporated by reference therein, each General Use Free Writing Prospectus and any supplements and amendments thereto as the Manager may reasonably request. The terms “supplement” and “amendment” or “amend” as used in this Agreement shall include all documents filed by the Company with the Commission subsequent to the date of the Basic Prospectus, pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which are deemed to be incorporated by reference in the Prospectus.

- (b) Before amending or supplementing the Registration Statement, the Time of Sale Information or the Prospectus with respect to the Offered Securities, to furnish the Manager a copy of each such proposed amendment or supplement.
- (c) If, during such period after the first date of the public offering of the Offered Securities as in the opinion of counsel for the Underwriters the Prospectus is (or but for the exemption in Rule 172 under the Securities Act would be required by law to be) delivered (but in no event more than 9 months after such first date), any event shall occur as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus is delivered to a purchaser, not misleading, or if it is necessary to amend or supplement the Prospectus to comply with law, forthwith to prepare and furnish, at its own expense, to the Underwriters, either amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus will comply with law.
- (d) To endeavor to qualify the Offered Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions as the Manager shall reasonably request and to pay all expenses (including fees and disbursements of counsel) in connection with such qualification and in connection with the determination of the eligibility of the Offered Securities for investment under the laws of such jurisdictions as the Manager may designate; provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation in any jurisdiction in which it is not qualified.
- (e) To make generally available to the Company's security holders as soon as practicable an earnings statement covering a twelve-month period beginning after the date of the Underwriting Agreement and ending at the end of a fiscal quarter of the Company, which shall satisfy the provisions of Section 11(a) of the Securities Act and the applicable rules and regulations (including Rule 158) thereunder.
- (f) During the period beginning on the date of the Underwriting Agreement and continuing to and including the Closing Date, not to offer, sell, contract to sell or otherwise dispose of any securities of the Company substantially similar to the Offered Securities, without the prior written consent of the Manager.

- (g) The Company has complied and will comply with Rule 433 under the Securities Act. Each Issuer Free Writing Prospectus complied in all material respects with Rule 433 under the Securities Act and has been, or will be, filed to the extent required in accordance with such rule.
- (h) The Company will pay the registration fees for this offering within the time period required by Rule 456(b)(1)(i) under the Securities Act (without giving effect to the proviso therein) and in any event prior to the Closing Date.

VI.

- (a) In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Underwriter, severally and not jointly, hereby represents, warrants, and agrees that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of the Offered Securities to the public in that Relevant Member State prior to the publication of a prospectus in relation to the Offered Securities which has been approved by the competent authority in that Relevant Member State, or where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive, except that it may, with effect from and including the Relevant Implementation Date, make an offer of Offered Securities to the public in that Relevant Member State at any time:
 - (i) solely to any legal entities which are qualified investors as defined in the Prospectus Directive;
 - (ii) to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the Manager for any such offer; or
 - (iii) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of the Offered Securities shall require the Company or any Underwriter to publish a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer to the public” in relation to any Offered Securities in any Relevant Member State means the communication to any persons in any form and by any means of sufficient information on the terms of the offer and the Offered Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Offered Securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression Prospectus Directive means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

- (b) Each Underwriter, severally and not jointly, hereby represents, warrants, and agrees that:
- (i) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the “FSMA”)) received by it in connection with the issue or sale of the Offered Securities in circumstances in which Section 21(1) of the FSMA does not apply to the Company; and
 - (ii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Offered Securities in, from or otherwise involving the United Kingdom.
- (c) Each Underwriter, severally and not jointly, hereby represents, warrants, and agrees with respect to offers and sales outside the United States (i) that such Underwriter understands that no action has been or will be taken in any country or jurisdiction outside the United States by the Company that would permit a public offering of the Debt Securities, or possession or distribution of the Registration Statement, Prospectus and Time of Sale Information or any other offering or publicity material relating to the Debt Securities, in any country or jurisdiction where action for that purpose is required, (ii) that such Underwriter will comply with all applicable laws and regulations in each country or jurisdiction in which it acquires, offers, sells or delivers Debt Securities or has in its possession or distributes the Registration Statement, Prospectus and Time of Sale Information or any such other material, in all cases at its own risk and expense, and (iii) not to cause any advertisement of the Debt Securities to be published in any newspaper or periodical or posted in any public place and not to issue any material relating to the Debt Securities, except in any such case with the prior express written consent of the Company and of the Manager and then only at its own risk and expense.

- (d) Each Underwriter, severally and not jointly, hereby represents, warrants, and agrees that it is not, to the best of its knowledge, subject to any pending proceeding under Section 8A of the Securities Act with respect to the offering (and will promptly notify the Company if any such proceeding against it is initiated during the period when a Prospectus is required to be delivered).

VII.

The Company represents and warrants to each Underwriter that:

- (a) (i) Each document, if any, filed or to be filed pursuant to the Exchange Act and incorporated by reference in each Statutory Prospectus, the Prospectus, the Time of Sale Information and any Issuer Free Writing Prospectus complied or will comply when so filed in all material respects with such Act and the rules and regulations thereunder, (ii) each part of the Registration Statement (including the documents incorporated by reference therein), filed with the Commission pursuant to the Securities Act relating to the Debt Securities when such part became effective, did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (iii) each preliminary prospectus, if any, filed pursuant to Rule 424 under the Securities Act complied when so filed in all material respects with such Act and the applicable rules and regulations thereunder, (iv) the Registration Statement, each Statutory Prospectus, the Prospectus, the Time of Sale Information and any Issuer Free Writing Prospectus comply and, as amended or supplemented, if applicable, will comply in all material respects with the Securities Act and the applicable rules and regulations thereunder, (v) the Registration Statement does not contain and, as amended or supplemented, if applicable, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (vi) the Prospectus does not contain and, as amended or supplemented, if applicable, will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; except that these representations and warranties do not apply to (A) statements or omissions in the Registration Statement, any preliminary prospectus or the Prospectus based upon information furnished to the Company in writing by any Underwriter expressly for use therein and (B) those parts of the Registration Statement which constitute the Statement of Eligibility under the Trust Indenture Act of 1939 on Form T-1 of the Trustee.

- (b) As of the Time of Sale, neither (i) any Time of Sale Information nor (ii) any Limited Use Free Writing Prospectus, when considered together with the Time of Sale Information, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of the Closing Date, neither (i) the Time of Sale Information, (ii) any individual Limited Use Free Writing Prospectus, when considered together with the Time of Sale Information nor (iii) the Statutory Prospectus, will include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding two sentences do not apply to statements in or omissions from any prospectus included in the Registration Statement or any Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Manager specifically for use therein.
- (c) Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Offered Securities or until any earlier date that the Company notified or notifies the Manager as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information then contained in the Registration Statement. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus related to the Offered Securities conflicted or would conflict with the information then contained in the Registration Statement or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in light of the circumstances prevailing at that subsequent time, not misleading, (i) the Company has promptly notified or will promptly notify the Manager and (ii) the Company has promptly amended or will promptly amend or supplement such Issuer Free Writing Prospectus related to the Offered Securities to eliminate or correct such conflict, untrue statement or omission. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Manager specifically for use therein.
- (d) (i) The Registration Statement is not the subject of any pending proceeding or examination under Sections 8(d) or 8(e) of the Securities Act and (ii) the Company is not, to the best of its knowledge, the subject of a pending proceeding under Section 8A of the Securities Act in connection with the offering of the Offered Securities and has not received any notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act.

- (e) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) under the Securities Act) of the Offered Securities and at the date of this Agreement, the Company was not an “ineligible issuer,” as defined in Rule 405 under the Securities Act. The Company is a well-known seasoned issuer (as defined in Rule 405 under the Securities Act) eligible to use the Registration Statement as an automatic shelf registration statement and the Company has not received notice that the Commission objects to the use of the Registration Statement as an automatic shelf registration statement.
- (f) The interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement fairly presents the information called for in all material respects and has been prepared in all material respects in accordance with the Commission’s rules and guidelines applicable thereto.

The Company represents, warrants and agrees that, unless it obtains the prior consent of the Manager, and each Underwriter represents, warrants and agrees that, unless it obtains the prior consent of the Company and the Manager, it has not made and will not make any offer relating to the Offered Securities that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405 under the Securities Act, required to be filed with the Commission. Notwithstanding the preceding sentence, the Company hereby consents to the provision by the Underwriters of a Term Sheet, the form of which is set forth in Schedule B to the Underwriting Agreement.

VIII.

The Company agrees to indemnify and hold harmless each Underwriter, such Underwriter’s selling agents who have participated or are deemed to have participated in the distribution of the Offered Securities, such Underwriter’s directors, officers and employees, and each person, if any, who controls such Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any preliminary prospectus, any Statutory Prospectus, the Prospectus (if used within the period set forth in paragraph (c) of Article V hereof and as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), the Time of Sale Information or any Issuer Free Writing Prospectus, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information furnished in writing to the Company by any Underwriter expressly for use therein.

Each Underwriter agrees to indemnify and hold harmless the Company, its directors, officers and employees, and any person controlling the Company to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to information relating to such Underwriter furnished in writing by such Underwriter expressly for use in the Registration Statement, any preliminary prospectus, any Statutory Prospectus, the Prospectus, the Time of Sale Information or any Issuer Free Writing Prospectus.

In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to either of the two preceding paragraphs, such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and the representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm (in addition to local counsel) for all such indemnified parties, and that all such fees shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Manager in the case of parties indemnified pursuant to the second preceding paragraph and by the Company in the case of parties indemnified pursuant to the first

preceding paragraph. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment.

If the indemnification provided for in this Article VIII is unavailable to an indemnified party under the first or second paragraphs hereof or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect (i) the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Offered Securities and (ii) the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other in connection with the offering of the Offered Securities shall be deemed to be in the same proportion as the total net proceeds from the offering of such Offered Securities (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters in respect thereof. The relative fault of the Company on the one hand and of the Underwriters on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Article VIII were determined by pro rata allocation or by any other method of allocation which does not take account of the considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Article VIII, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Offered Securities underwritten and distributed to the public by such Underwriter were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person

guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Article VIII are several, in proportion to the respective principal amount or number, as the case may be, of Offered Securities purchased by each of such Underwriters, and not joint.

The indemnity and contribution agreements contained in this Article VIII and the representations and warranties of the Company in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by any Underwriter or on behalf of any Underwriter or any person controlling any Underwriter or by or on behalf of the Company, its directors or officers or any person controlling the Company and (iii) acceptance of and payment for any of the Offered Securities.

IX.

This Agreement may be terminated in the absolute discretion of the Manager, by notice to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on the New York Stock Exchange; (ii) trading of any securities issued by the Company shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities; (iv) a material disruption of the settlement or clearance of debt securities in the United States shall occur and continue until at least the business day preceding the Closing Date or (v) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the reasonable judgment of the Manager, is material and adverse and makes it impracticable or inadvisable to proceed with the offer, sale or delivery of the Offered Securities on the terms and in the manner contemplated by this Agreement and the Prospectus.

X.

If any one or more of the Underwriters shall fail or refuse to purchase any Offered Securities which it or they have agreed to purchase pursuant to the Underwriting Agreement, and the aggregate amount of such Offered Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate amount of the Offered Securities, the other Underwriters shall be obligated severally in the proportions which the amounts of Offered Securities set forth opposite their names in the Underwriting Agreement bear to the aggregate amount of Offered Securities set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as the Manager may specify, to purchase the Offered Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase; provided that in no event shall the amount of Offered Securities which any Underwriter has agreed to purchase pursuant to the Underwriting Agreement be increased pursuant to this Article X by an amount in excess of one-ninth of such amount of Offered Securities without the written consent of such Underwriter. If any Underwriter or Underwriters shall fail or refuse to purchase any Offered Securities and the aggregate

amount of Offered Securities with respect to which such default occurs is more than one-tenth of the aggregate amount of the Offered Securities and arrangements satisfactory to the Manager and the Company for the purchase of such Offered Securities are not made within 36 hours after such default, this Agreement, or the provisions hereof applicable to the sale and purchase of the Offered Securities, will terminate without liability on the part of any non-defaulting Underwriter or of the Company. In any such case either the Manager or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement and in the Prospectus or in any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under the Underwriting Agreement.

XI.

If this Agreement shall be terminated by the Underwriters or any of them, because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement, the Company will reimburse the Underwriters or such Underwriters as have so terminated this Agreement, with respect to themselves, severally, for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by such Underwriters in connection with the Offered Securities.

XII.

The Company acknowledges and agrees that the Underwriters are acting solely in the capacity of an arm's length contractual counterparty to the Company with respect to the offering of Offered Securities (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Company or any other person. Additionally, no Underwriter is advising the Company or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company shall consult with its own advisors concerning such matters and shall be responsible for

making its own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Company with respect thereto. Any review by the Underwriters of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Company.

XIII.

This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

The Company and each of the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

“Stated Maturity”, when used with respect to any Security or any installment of principal thereof or interest thereon, means the date specified in such Security as the fixed date on which the principal of such Security or such installment of principal or interest is due and payable.

“**Trustee**” means the Person named as the “Trustee” in the first paragraph of this instrument until a successor trustee shall have become such pursuant to the applicable provisions of this Indenture, and thereafter “Trustee” shall mean or include each Person who is then a Trustee hereunder, and if at any time there is more than one such Person, “Trustee” as used with respect to the Securities of any series shall mean the Trustee with respect to Securities of that series.

“**Trust Indenture Act**” means the United States Trust Indenture Act of 1939, as amended and as in force at the date as of which this instrument was executed, except as provided in Section 9.05; *provided, however*, that in the event that the Trust Indenture Act of 1939 is amended after such date, “Trust Indenture Act” means, to the extent required by any such amendment, the Trust Indenture Act of 1939 as so amended.

“**United States**” means the United States of America (including the States and the District of Columbia), its territories and possessions and other areas subject to its jurisdiction.

“**U.S. Government Obligations**” means securities which are (i) direct obligations of the United States for the payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any such obligation evidenced by such depository receipt or a specific payment of interest on or principal of any such obligation held by such custodian for the account of the holder of a depository receipt; *provided* that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the obligation set forth in (i) or (ii) above or the specific payment of interest on or principal of such obligation evidenced by such depository receipt.

Section 1.02. *Compliance Certificates and Opinions.* Upon any application or request by the Company to the Trustee to take any action under any provision of this Indenture, the Company shall furnish to the Trustee an Officer’s Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with and an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished (subject in all cases to the requirements of the Trust Indenture Act).

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than certificates provided pursuant to Subsection Section 7.04(a)(iv)) shall include:

- (a) a statement that each individual signing such certificate or opinion has read such condition or covenant and the definitions herein relating thereto;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) a statement that, in the opinion of each such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such condition or covenant has been complied with; and

(d) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

Section 1.03. *Form of Documents Delivered to Trustee.* In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any Officer's Certificate may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous.

Any Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Authorized Officer or Authorized Officers of the Company stating that the information with respect to such factual matters is in the possession of the Company, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Any Officer's Certificate or Opinion of Counsel may be based, insofar as it relates to accounting matters, upon a certificate or opinion of or representations by an accountant or firm of accountants in the employ of the Company or otherwise, unless such officer or counsel, as the case may be, knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the accounting matters upon which such certificate or opinion may be based are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 1.04. *Acts of Holders.* (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing, or in a writing that constitutes a record of any meeting of Holders of Securities pursuant to Article 13. Except as herein otherwise expressly provided, such action shall become

effective when such instrument or instruments or record, or both, are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments and any such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Holders signing such instrument or instruments or so voting at any such meeting. Proof of execution of any such instrument or of a writing appointing any such agent or proxy, or of the holding by any Person of a Security, shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Trustee and the Company and any agent of the Company, if made in the manner provided in this Section. The record of any meeting of Holders of Securities shall be proved in the manner provided in Section 13.06.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a partnership, or an official of a public or governmental body, on behalf of such corporation, association, partnership or public or governmental body or by a fiduciary, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution by any Person of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which shall be satisfactory to the Trustee.

(c) The ownership of Securities shall be proved by the Security Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

(e) The Company may, but shall not be obligated to, set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities, *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date (as defined below) by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically

and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities in the manner set forth in Section 1.06.

(f) The Trustee may set (but shall not be obligated to set) any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration referred to in Section 5.02, (iii) any request to institute proceedings referred to in Section 5.07(b) or (iv) any direction referred to in Section 5.12. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities in the manner set forth in Section 1.06.

(g) With respect to any record date set pursuant to this Section, the party hereto which sets such record dates may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities in the manner set forth in Section 1.06, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section, the party hereto which set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

Section 1.05. *Notices, Etc., to Trustee and Company.* Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(a) the Trustee, Security Registrar and Paying Agent by any Holder or by the Company shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing in English to or with the Trustee at its Corporate Trust Office, which, as of the date of this Indenture, is: 60 Wall Street, Trust & Agency Services, 16th Floor, New York, New York 10005, Attn: Corporates Team Deal Manager – Exxon Mobil Corporation, Fax: 732-578-4635 (with a copy to: Deutsche Bank Trust Company Americas, c/o Deutsche Bank National Trust Company, Trust & Agency Services, 100 Plaza One, Mailstop JCY03-0699, Jersey City, New Jersey 07311, Attn: Corporates Team Deal Manager – Exxon Mobil Corporation, Fax: 732-578-4635); or

(b) the Company by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the Company addressed to it at the address of its principal office specified in the first paragraph of this instrument, to the attention of the Treasurer or at any other address furnished in writing to the Trustee by the Company prior to the date of such request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document.

Neither the Company nor the Trustee shall be deemed to have received any such notice, demand, authorization, direction, notice, consent, waiver or Act of Holders unless given, furnished or filed as provided in this Section 1.05.

Section 1.06. *Notice to Holders; Waiver.* Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given to Holders of Securities if in writing and mailed, first-class postage prepaid, to each Holder of a Security affected by such event, at his address as it appears in the Security Register, or in the case of a Global Security, sent in accordance with the applicable procedures of the Depository, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice.

If, by reason of the suspension of regular mail service, it shall be impracticable to mail notice of any event to Holders of Securities when such notice is required to be given pursuant to any provision of this Indenture, then such manner of giving such notice as shall be acceptable to the Trustee shall constitute sufficient giving of such notice. In any case where notice to Holders of Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder of a Security shall affect the sufficiency of such notice with respect to other Holders of Securities.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 1.07. *Language of Notices, Etc.* Any request, demand, authorization, direction, notice, consent, waiver, Act of Holders or other document required or permitted under this Indenture shall be in the English language.

Section 1.08. *Conflict With Trust Indenture Act.* If any provision hereof limits, qualifies or conflicts with any obligation or requirement included or deemed included herein by operation of the Trust Indenture Act, such obligation or requirement of the Trust Indenture Act shall control.

Section 1.09. *Effect of Headings and Table of Contents.* The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 1.10. *Successors and Assigns.* All covenants and agreements in this Indenture and the Securities by the Company shall bind its successors and assigns, whether so expressed or not.

Section 1.11. *Separability Clause.* In case any provision in this Indenture or the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 1.12. *Benefits of Indenture.* Nothing in this Indenture or the Securities, expressed or implied, shall give to any Person, other than the parties hereto, their successors hereunder and the Holders of Securities, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 1.13. *Governing Law.* This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York. This Indenture is also subject to the provisions of the Trust Indenture Act that are required to be part of this Indenture and shall, to the extent applicable, be governed by such provisions.

Section 1.14. *Legal Holidays.* In any case where any Interest Payment Date, Redemption Date or Stated Maturity or Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities other than a provision in the Securities of any series which specifically states that such provision shall apply in lieu of this Section) payment of principal (and premium, if any) or interest, if any, need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity or Maturity, *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

Section 1.15. *Computations.* Unless otherwise specifically provided, the certificate or opinion of any independent firm of public accountants of recognized standing selected by the Board of Directors shall be conclusive evidence of the correctness of any computation made under the provisions of this Indenture. The Company shall furnish to the Trustee upon its request a copy of any such certificate or opinion.

Section 1.16. *Waiver of Jury Trial.* Each of the Company, the Trustee, the Securities Registrar and the Paying Agent hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Indenture or the Securities.

All Securities of one series need not be issued at the same time and, unless otherwise provided, a series may be reopened for issuances of additional Securities of such series; *provided* that if such additional Securities are not fungible with the then-outstanding Securities of such series for U.S. federal income tax purposes, the additional Securities shall have a separate CUSIP number, subject to Section 3.11. Securities may differ between series in respect of any matters.

If any of the terms of the Securities of any series are established by action taken by or pursuant to a Board Resolution or Officer's Certificate pursuant to authority granted by a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officer's Certificate setting forth the terms of the Securities of such series.

Section 3.03. *Execution, Authentication, Delivery and Dating.* The Securities shall be executed on behalf of the Company by an Authorized Officer (or any Person designated in writing by an Authorized Officer as authorized to execute the Securities). The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities. If any Security shall be represented by a permanent global Security, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary global Security shall be deemed to be delivery in connection with its original issuance of such beneficial owner's interest in such permanent global Security.

If the forms or terms of the Securities of the series have been established in or pursuant to one or more Board Resolutions or pursuant to authority granted by one or more Board Resolutions as permitted by Sections 2.01 and 3.01, in authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, an Opinion of Counsel stating,

(a) if the forms of such Securities have been established by or pursuant to a Board Resolution or pursuant to authority granted to an Authorized Officer by a Board Resolution as permitted by Section 2.01, that such forms have been established in conformity with the provisions of this Indenture;

(b) if the terms of such Securities have been established by or pursuant to a Board Resolution or pursuant to authority granted to an Authorized Officer by a Board Resolution as permitted by Section 3.01, that such terms have been established in conformity with the provisions of this Indenture; and

(c) that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles.

If such forms or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or will otherwise affect the Trustee in a manner which is not reasonably acceptable to the Trustee. The Trustee shall have the right to decline to authenticate and deliver any Securities under this Section if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

Notwithstanding the provisions of Section 3.01 and of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Officer's Certificate, Board Resolution or supplemental indenture otherwise required pursuant to Section 3.01 or the Company Order and Opinion of Counsel otherwise required pursuant to such preceding paragraph at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

A Company Order delivered in the circumstances set forth in the preceding paragraph may provide that Securities which are the subject thereof will be authenticated and delivered by the Trustee on original issue from time to time upon the written order of persons designated in such Company Order and that such persons are authorized to determine, consistent with the Board Resolution or Officer's Certificate referred to in Section 3.01 or any applicable supplemental indenture, such terms and conditions of said Securities as are specified in such Company Order, provided the foregoing procedure is acceptable to the Trustee.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder and that such Security is entitled to the benefits of this Indenture.

Minor typographical and other minor errors in the text of any Security shall not affect the validity and enforceability of such Security if it has been duly authenticated and delivered by the Trustee.

Except in the case of Securities of any series as to which it is specified, as contemplated by Section 3.01, that such Securities shall be issued initially in definitive certificated form, the Company shall execute and the Trustee shall authenticate and deliver one or more Global Securities with respect to each series of Securities that (i) shall represent an aggregate amount equal to the aggregate principal amount of the initially issued Securities of such series, (ii) shall be registered in the name of the Depository or the nominee of the Depository, (iii) shall be delivered by the Trustee to the Depository or pursuant to the Depository's instruction, (iv) shall bear a legend substantially in the form required in Section 2.03 and (v) shall bear such other legends or endorsements as contemplated by Section 2.01. Neither the Trustee nor any agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

Section 3.04. *Temporary Securities.* Pending the preparation of definitive Securities of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued, in registered form and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Company will cause definitive securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company maintained pursuant to Section 10.02 in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like aggregate principal amount of definitive Securities of the same series and of like tenor of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

Section 3.05. *Registration, Registration of Transfer and Exchange.* The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency to be maintained by the Company in accordance with Section 10.02 being herein sometimes collectively referred to as the “**Security Register**”) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers and exchanges of Securities. The Trustee is hereby appointed “**Security Registrar**” for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency maintained pursuant to Section 10.02 for such purpose in a Place of Payment for that series, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor.

Notwithstanding any other provision of this Section, unless and until it is exchanged in whole or in part for the definitive Securities represented thereby, a Global Security representing all or a portion of the Securities may not be transferred except as a whole by the Depository to a nominee of such Depository, or by a nominee of such Depository to such Depository or another nominee of such Depository, or by such Depository or any such nominee to a successor Depository or nominee of such successor Depository.

At the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

If at any time the Depository notifies the Company that it is unwilling or unable to continue as Depository or if at any time the Depository shall cease to be a clearing agency registered under the Exchange Act as provided in Section 3.03, the Company shall appoint a successor Depository. If a successor Depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Securities, will authenticate and make available for delivery, definitive Securities in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing the Securities in exchange for such Global Security or Securities.

The Company may at any time and in its sole discretion determine that definitive Securities issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Securities, will authenticate and make available for delivery, definitive Securities in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing the Securities in exchange for such Global Security or Securities.

The Depositary may surrender a Global Security in exchange in whole or in part for definitive Securities on such terms as are acceptable to the Company, the Trustee and such Depositary. Thereupon, the Company shall execute, and the Trustee shall authenticate and make available for delivery, without service charge:

(a) to each Person specified by such Depositary a new definitive Security or Securities of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and

(b) to such Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of definitive Securities delivered to Holders thereof.

Upon the exchange of a Global Security for definitive Securities in an aggregate principal amount equal to the principal amount of such Global Security, such Global Security shall be canceled by the Trustee in accordance with its applicable procedures. Definitive Securities issued in exchange for a Global Security pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall make available for delivery such definitive Securities to the Persons in whose names such Securities are so registered.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Security Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing. The Company and the Trustee shall be entitled to request an opinion of counsel providing that the transfer complies with applicable securities laws.

No service charge shall be made to a Holder for any registration of transfer or exchange of Securities, but the Company or the Trustee may require payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Sections 3.04, 9.06 or 11.07 or Article 12 not involving any transfer.

Neither the Company nor the Trustee shall be required, pursuant to the provisions of this Section: (i) to issue, register the transfer of or exchange any Security of any series during a period beginning at the opening of business 15 Business Days before the day of the mailing of a notice of redemption of any such Securities selected for redemption of Securities pursuant to Article Eleven and ending at the close of business on the day of such mailing of notice of redemption; or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except, in the case of any Security to be redeemed in part, any portion thereof that is not redeemed.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among Depository participants or beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

None of the Trustee, the Security Registrar or the Paying Agent shall have any responsibility or obligation to any beneficial owner of an interest in a Global Security, any agent member or other member of, or a participant in, the Depository or other Person with respect to the accuracy of the records of the Depository or any nominee or participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any agent member or other participant, member, beneficial owner or other Person (other than the Depository) of any notice or the payment of any amount or delivery of any Securities (or other security or property) under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Securities shall be given or made only to or upon the order of the registered Securities (which shall be the Depository or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depository, subject to its applicable rules and procedures. The Trustee, Security Registrar and Paying Agent may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its agent members and other members, participants and any beneficial owners.

Section 3.06. *Mutilated, Destroyed, Lost and Stolen Securities.* If any mutilated Security is surrendered to the Trustee, together with such security or indemnity as may be required by the Company or the Trustee, to save each of them harmless, the Company shall execute, and the Trustee shall authenticate and deliver in exchange therefor, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall have been delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security, and (ii) such security or indemnity as may be required by them, including an indemnity bond satisfactory to them, to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a protected purchaser, the Company shall execute and upon receipt of a Company Order the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company or the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and any such new Security shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 3.07. Payment of Interest; Interest Rights Preserved. Interest on any Security of any series which is payable, and is timely paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest in respect of Securities of such series. The initial payment of interest on any Security of any series which is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Security or in the Board Resolution or Officer's Certificate pursuant to Section 3.01 with respect to the related series of Securities.

Any interest on any Security which is payable, but is not timely paid or duly provided for, on any Interest Payment Date for Securities of such series (herein called "**Defaulted Interest**"), shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series in respect of which interest is in default (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate

amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause. Thereupon the Company shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment. The Company shall promptly notify the Trustee in writing of such Special Record Date and, in the name and at the expense of the Company, the Company shall instruct the Trustee to cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Holder of a Security of such series at the address of such Holder as it appears in the Security Register not less than 10 days prior to such Special Record Date or, in the case of a Global Security, to be sent in accordance with the applicable procedures of the Depositary. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so sent, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of the series in respect of which interest is in default may be listed, and upon such notice as may be required by such exchange (or by the Trustee if the Securities are not listed), if, after written notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section and Section 3.05, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

The Trustee shall not at any time be under any duty or responsibility to any Holder to determine the Defaulted Interest or with respect to the nature, extent, or calculation of the amount of Defaulted Interest owed, or with respect to the method employed in such calculation of the Defaulted Interest.

Section 3.08. *Persons Deemed Owners.* The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered in the Securities Register as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Sections 3.05 and 3.07) interest, if any, on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

None of the Company, the Trustee nor any agent of the Company or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 3.09. *Cancellation.* All Securities surrendered for payment, redemption, registration of transfer or exchange or for credit against any sinking fund payment shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and such Securities shall be promptly cancelled by the Trustee. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be cancelled by the Trustee in accordance with its customary procedures.

Section 3.10. *Computation of Interest.* Except as otherwise specified as contemplated by Section 3.01 for the Securities of any series, interest, if any, on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.11. *CUSIP Numbers.* The Company in issuing Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use the "CUSIP" number for the Securities in notices to the Holders as a convenience to such Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice and that reliance may be placed only on the other identification numbers printed on the Securities, and any such notice shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any changes in the "CUSIP" numbers.

ARTICLE 4 SATISFACTION AND DISCHARGE

Section 4.01. *Satisfaction and Discharge of Indenture.* This Indenture shall upon Company Request cease to be of further effect with respect to any series of Securities (except as to any surviving rights of registration of transfer or exchange of Securities of such series herein expressly provided for or in the form of Security for such series and any right to receive additional amounts, as provided in Section 10.07), and the Trustee, per the instruction in the Company Request and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture as to such series, when

(a) either

(i) all Securities of such series theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 10.03) have been delivered to the Trustee for cancellation; or

(ii) all such Securities of such series not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year of the date of deposit, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal (and premium, if any) and interest, if any, to the date of such deposit (in the case of Securities which have become due and payable), or to the Stated Maturity or the Redemption Date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to such series; and

(c) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that, with respect to such series, all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to such series, the obligations of the Company to the Trustee with respect to such series under this Section 4.01 and Section 6.07, the obligations of the Company to any Authenticating Agent under Section 6.14, and, if money shall have been deposited with the Trustee pursuant to subclause (ii) of clause (a) of this Section, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 10.03, shall survive.

Section 4.02. *Application of Trust Money.* Subject to the provisions of the last paragraph of Section 10.03, all money deposited with the Trustee pursuant to Section 4.01, all money and U.S. Government Obligations deposited with the Trustee (or a successor trustee satisfying the requirements of Section 6.09) pursuant to Section 4.03 and all money received by the Trustee in respect of U.S. Government Obligations deposited with the Trustee pursuant to Section 4.03 shall be held in trust and shall be applied by it, in accordance with the provisions of the series of Securities and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of all sums due and to become due thereon in respect of the

principal of (and premium, if any) and interest, if any, on the Securities for which payment of such money has been deposited with the Trustee or to make mandatory sinking fund payments or analogous payments as contemplated by Section 4.03.

Section 4.03. *Discharge and Defeasance of Securities of Any Series.* If this Section 4.03 is specified, as contemplated by Section 3.01, to be applicable to the Securities of any series, then, notwithstanding the provisions of Section 4.01, the Company shall be deemed to have paid and discharged the entire indebtedness on all the Outstanding Securities of any such series on the date of the deposit referred to in subparagraph (i) hereof, and the provisions of this Indenture, as it relates to such Outstanding Securities, shall no longer be in effect (and the Trustee, at the expense of the Company, shall, upon Company Request execute proper instruments acknowledging the same), except as to:

(a) the rights of Holders of Securities of such series to receive, from the trust funds described in subparagraph (i) hereof, (i) payment of the principal of (and premium, if any) and each installment of principal of (and premium, if any) or interest, if any, on the Outstanding Securities of such series on the Stated Maturity of such principal or installment of principal or interest and (ii) any mandatory sinking fund payments or analogous payments applicable to the Securities of such series on the day on which such payments are due and payable in accordance with the terms of this Indenture and such Securities; and

(b) the rights, powers, trusts, duties and immunities of the Trustee hereunder with respect to such series, including those set forth in Section 6.07; and

(c) either (i) if this Section 4.03(c)(i) is specified, as contemplated by Section 3.01, to be applicable to the Securities of any series, the Company's obligations with respect to the Securities of such series under Sections 3.04, 3.05, 3.06, 10.02 and 10.03; or, alternatively, (ii) if this Section 4.03(c)(ii) is specified, as contemplated by Section 3.01, to be applicable to the Securities of any series, the Company's obligations with respect to such Securities under Sections 3.04, 3.05, 3.06, 10.01, 10.02 and 10.03;

provided that, the following conditions shall have been satisfied:

(i) the Company shall have irrevocably deposited or caused to be deposited (in accordance with Section 4.02) with the Trustee (or another trustee satisfying the requirements of Section 6.09) as trust funds in trust specifically pledged as security for, and dedicated solely to, the benefit of the Holders of the Securities of that series, with reference to this Section 4.03 (1) money in an amount, or (2) U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide not later than one Business Day before the due date of any payment referred to in clause (A) or (B) of this subparagraph (i) money in an amount, or (3) a combination thereof, sufficient to pay and discharge (A) the principal of (and premium, if any) and each installment of principal of (and premium, if any) and interest, if any, on the Outstanding Securities of such series on the Stated Maturity of such principal or installment of principal or interest or on the applicable Redemption Date and

(B) any mandatory sinking fund payments or analogous payments applicable to the Securities of such series on the day on which such payments are due and payable in accordance with the terms of this Indenture and of such Securities;

(ii) such deposit shall not cause the Trustee with respect to the Securities of such series to have a conflicting interest as defined in Section 6.08 or for purposes of the Trust Indenture Act with respect to the Securities of any series;

(iii) if this subparagraph (iii) is specified, as contemplated by Section 3.01, to be applicable to the Securities of any series, such provision would not cause any Outstanding Securities of such series then listed on the New York Stock Exchange or other nationally recognized securities exchange to be de-listed as a result thereof;

(iv) no Event of Default or event which with the giving of notice or lapse of time or both would become an Event of Default with respect to the Securities of that series shall have occurred and be continuing on the date of such deposit;

(v) the Company has delivered to the Trustee an Opinion of Counsel to the effect that, based upon applicable United States Federal income tax law or a ruling published by the Internal Revenue Service (which opinion, for the purposes contemplated by Section 4.03(c)(i), must be based on a change in applicable United States Federal income tax law after the date of this Indenture or a ruling published by the Internal Revenue Service after the date of this Indenture), the beneficial owners of the Securities of such series will not recognize income, gain or loss for United States Federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to United States Federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit, defeasance and discharge had not occurred; and

(vi) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the defeasance contemplated by this Section have been complied with.

For the avoidance of doubt, neither the Trustee nor any of its agents are responsible for determining the sufficiency of any amounts deposited in trust in connection with a discharge or defeasance of any series of Securities under the Indenture and neither the Trustee nor any of its agents shall have any obligation or liability whatsoever with respect to the sufficiency of such amounts.

Section 4.04. *Reinstatement.*

If the Trustee is unable to apply any money in accordance with Section 4.03 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Securities of such series shall be revived and reinstated as though no deposit had occurred pursuant to Section 4.03 until such time as the Trustee is permitted to apply all such money in accordance with Section 4.03; *provided, however,* that if the

Company makes any payment of principal of (and premium, if any) or interest on any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of the Securities of such series to receive such payment from the money held by the Trustee.

ARTICLE 5
REMEDIES

Section 5.01. *Events of Default*. “**Event of Default**”, wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any installment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; or

(b) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity; or

(c) default in the deposit of any sinking fund payment, when and as due by the terms of a Security of that series; or

(d) default in the performance or breach of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of a particular series of Securities other than that series) and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of the affected series (voting as a single class) a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder; or

(e) the entry by a court having jurisdiction in the premises of (i) a decree or order for relief in respect of the Company in an involuntary case in respect of the Company under any applicable bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect, or (ii) a decree or order appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(f) the commencement by the Company of a voluntary case under any applicable bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect, or the consent by it to the entry of an order for relief in an involuntary case in respect of it under any such law, or the consent by it to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company, or the making by it of any general assignment for the benefit of creditors; or

(g) any other Event of Default provided with respect to Securities of that series.

Section 5.02. *Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to Securities of any series at the time Outstanding occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of all series affected (voting as a single class) may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified in the terms thereof) of all of the Securities of all such series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable; *provided*, that if an Event of Default specified in clause (e) or (f) of Section 5.01 hereof occurs with respect to the Company, the unpaid principal of, premium, if any, and any accrued and unpaid interest on all the Securities shall ipso facto become and be immediately due and payable without further action or notice on the part of the Trustee or any Holder.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Company has paid or deposited with the Trustee a sum sufficient to pay

(i) all overdue installments of interest on all Securities of that series,

(ii) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest, if any, thereon at the rate or rates prescribed therefor in such Securities,

(iii) to the extent that payment of such interest is lawful, interest upon any overdue installments of interest at the rate or rates prescribed therefor in such Securities, and

(iv) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

and

(b) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 5.03. *Collection of Indebtedness and Suits for Enforcement by Trustee.* The Company covenants that if

(a) default is made in the payment of any installment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(b) default is made in the payment of the principal of (or premium, if any, on) any Security at its Maturity,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on the overdue principal (and premium, if any) and on any overdue installments of interest, at the rate or rates prescribed therefor in such Securities and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon such Securities and called the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04. *Trustee May Enforce Claims.* In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors:

(a) the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding, and

(ii) in particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same in accordance with Section 5.06; and

(b) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee for distribution in accordance with Section 5.06, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; *provided, however*, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

Section 5.05. *Trustee May Enforce Claims Without Possession of Securities.* All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 5.06. *Application of Money Collected.* Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, if any, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: To the payment of all amounts due the Trustee and its agents and counsel under Section 6.07;

Second: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest, if any, on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, if any, respectively; and

Third: The balance, if any, to the Person or Persons determined to be entitled thereto.

Section 5.07. *Limitation on Suits.* No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

(b) the Holders of not less than 25% in principal amount of the outstanding securities of all series affected (voting as a single class) shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee indemnity or security satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity or security has failed to institute any such proceeding; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of all series affected (voting as a single class);

it being understood and intended that no one or more of the Holders of Securities of such series shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other such Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders), or to obtain or to seek to obtain priority or preference over any other such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

Section 5.08. *Unconditional Rights of Holders to Receive Principal, Premium and Interest.* Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Sections 3.05 and 3.07) interest, if any, on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 5.09. *Restoration of Rights and Remedies.* If the Trustee or any Holder of any Security has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Company, the Trustee and the Holders of such Securities shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10. *Rights and Remedies Cumulative.* Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders of Securities is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders of Securities may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of Securities as the case may be.

Section 5.12. *Control by Holders.* (a) The Holders of a majority in principal amount of the Outstanding Securities of all affected series (voting as a single class) shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, provided that

(i) such direction shall not be in conflict with any rule of law or with this Indenture, involve the Trustee in personal liability or be unduly prejudicial to the Holders of Securities not joining in the action, and

(ii) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

(b) The Company may set a record date for purposes of determining the identity of Holders entitled to vote or consent to any action by vote or consent authorized or permitted by this Section 5.12 and Section 5.13. Such record date shall be the later of (i) 30 days prior to the first solicitation of such consent or (ii) the date of the most recent list of Holders furnished to the Trustee pursuant to Section 7.01 prior to such solicitation.

Section 5.13. *Waiver of Past Defaults.* Subject to Section 5.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to the Securities of such series and its consequences, except a default

(a) in the payment of the principal of (or premium, if any) or interest, if any, on any Securities of such series, or

(b) with respect to a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 5.14. *Undertaking for Costs.* All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard for the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of all affected series, or to any suit instituted by any Holder of any Security for the enforcement of the payment of the principal of (or premium, if any) or interest, if any, on any Security on or after the Stated Maturity or Maturities expressed in such security (or, in the case of redemption, on or after the Redemption Date).

Section 5.15. *Waiver of Stay or Extension Laws.* The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 6
THE TRUSTEE

Section 6.01. *Certain Duties and Responsibilities.* (a) Except during the continuance of an Event of Default with respect to the Securities of any series,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to such series, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(b) In case an Event of Default has occurred with respect to Securities of any series and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture with respect to such series of Securities, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Section 5.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 6.02. *Notice of Defaults.* Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit in the manner and to the extent provided in Section 7.03, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; *provided, however,* that, except in the case of a default in the payment of the principal of (or premium, if any) or interest, if any, on any Security of such series or in the payment of any sinking fund installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders of Securities of such series, and *provided, further,* that in the case of any default of the character specified in Section 5.01(d) with respect to Securities of such series, no such notice to Holders shall be given until at least 60 days after the occurrence thereof. For the purpose of this Section, the term “**default**” means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

Section 6.03. *Certain Rights of Trustee.* Except as otherwise provided in Section 6.01 and subject to the provisions of the Trust Indenture Act:

(a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order or as otherwise expressly provided herein and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically presented) may, in the absence of negligence or willful misconduct on its part, conclusively rely upon an Officer’s Certificate;

(d) the Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders of Securities of any series shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation; *provided* that (1) the Trustee provide the Company with reasonable notice of any such examination, (2) such examination is to take place at a location and time reasonable in the circumstances, and (3) the Trustee have good cause and be acting in good faith in the interest of Holders in carrying out such examination;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee's immunities and protections from liability and its rights to compensation and indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents and employees and its services as Paying Agent, Security Registrar or any other role assumed by the Trustee hereunder or to which it has been appointed with respect to the Securities issued hereunder. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal and final payment of the Securities;

(i) the Trustee is not required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture;

(j) the Trustee shall not be deemed to have knowledge of any Default or Event of Default hereunder except (i) during any period it is serving as Paying Agent for the Securities of a series, any Event of Default pursuant to Section 5.01(a) or (b), or (ii) any Default or Event of Default of which a Responsible Officer of the Trustee shall have received written notification at the Corporate Trust Office from the Company or the Holders of at least 25% in aggregate principal amount of all affected Securities of the series with respect to which such Default or Event of Default has occurred (voting as a single class) and is continuing and such notice references the Securities and this Indenture or obtained "actual knowledge," which shall mean the actual fact or statement of knowing by a Responsible Officer of the Trustee without independent investigation with respect thereto;

(k) the permissive rights of the Trustee enumerated herein shall not be construed as duties;

(l) the Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers or other Persons authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;

(m) the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and in the absence of negligence or willful misconduct and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture; and

(n) in no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 6.04. *Not Responsible for Recitals or Issuance of Securities.* The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

Section 6.05. *May Hold Securities.* The Trustee, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.08 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

Section 6.06. *Money Held in Trust.* Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company.

Section 6.07. *Compensation and Reimbursement.* The Company agrees:

(a) to pay to the Trustee from time to time compensation as agreed between the Company and the Trustee from time to time in writing for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or willful misconduct; and

(c) to indemnify the Trustee or any predecessor Trustee and their respective agents for, and to hold them harmless against, any loss, liability, damage, claim or expense incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim (whether asserted by the Company, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, or in connection with enforcing the provisions of this Section.

The obligations of the Company under this Section shall constitute additional indebtedness hereunder and shall survive the termination, satisfaction and discharge of this Indenture and the resignation or removal of the Trustee. Such additional indebtedness shall be a senior claim to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of particular Securities, and the Securities are hereby subordinated to such senior claim. If the Trustee incurs expenses after the occurrence of a default specified in Section 5.01(e) or Section 5.01(f), such expenses are intended to constitute expenses of administration under any bankruptcy law.

Section 6.08. *Disqualification; Conflicting Interests.* If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by and subject to the provisions of, the Trust Indenture Act.

Section 6.09. *Corporate Trustee Required; Eligibility.* There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or of any State or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal, State or District of Columbia authority and having its Corporate Trust Office, in the United States of America. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article. Neither the Company nor any Affiliate of the Company may serve as Trustee.

Section 6.10. *Resignation and Removal; Appointment of a Successor.* (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Trustee and to the Company.

(d) If at any time:

(i) the Trustee shall fail to comply with Section 6.08 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months; or

(ii) the Trustee shall cease to be eligible under Section 6.09 and shall fail to resign after written request therefor by the Company or by any such Holder; or

(iii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case, (A) the Company may remove the Trustee with respect to all Securities, or (B) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the Trustee being so removed may, at the expense of the Company, petition a court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Company shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 6.11. If, within one year after such

resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 6.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders of Securities of that series and accepted appointment in the manner required by Section 6.11, any Holder of a Security who has been a bona fide Holder of a Security of such series for at least six months, subject to Section 5.14, may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series in the manner provided in Section 1.06. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

Section 6.11. *Acceptance of Appointment by Successor.* (a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on written request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of the charges due it pursuant to Section 6.07, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (i) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (ii) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties, including its right to be indemnified, of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be

vested in the retiring Trustee, and (iii) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

Section 6.12. *Merger, Conversion, Consolidation or Succession to Business.* Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 6.13. *Preferential Collection of Claims Against Company.* The Trustee shall comply with the provisions of Section 311 of the Trust Indenture Act.

Section 6.14. *Appointment of Authenticating Agent.* The Trustee may appoint an Authenticating Agent or Agents with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue and upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.06, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if

authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State, territory or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent files reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so filed.

If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of an Authenticating Agent, shall be the successor Authenticating Agent hereunder, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall give notice of such appointment in the manner provided in Section 1.06 to all Holders of Securities of the series with respect to which such Authenticating Agent will serve. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent.

No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time compensation as agreed between the Company and each such Authenticating Agent for its services under this Section.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

(a) semi-annually, not more than 15 days after each Regular Record Date, or in the case of any series of Securities on which semi-annual interest is not payable, not more than 15 days after such semi-annual dates as may be specified by the Trustee, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders of such Securities as of such Regular Record Date or such semi-annual date, as the case may be, and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished,

provided, however, that so long as the Trustee is the Security Registrar, no such list need be furnished.

Section 7.02. *Preservation of Information; Communications to Holders.* The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 7.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished.

The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities, and the corresponding rights and privileges of the Trustee, shall be as provided by Section 312(b) of the Trust Indenture Act.

Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to the names and addresses of Holders made pursuant to Section 312(c) of the Trust Indenture Act.

Section 7.03. *Reports by the Trustee.* The Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the time and in the manner provided pursuant thereto. If required by Section 313(a) of the Trust Indenture Act, the Trustee shall, within 60 days after each July 15 following the date of this Indenture, deliver to Holders a brief report, dated as of such July 15, which complies with the provisions of such Section 313(a). The Trustee shall also comply with Section 313(b) and Section 313(c) of the Trust Indenture Act.

A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange upon which any Securities are listed in accordance with Section 313(d) of the Trust Indenture Act, with the Commission and with the Company (Attn: Treasurer). The Company will promptly notify the Trustee in writing whenever any Securities are listed on any stock exchange and any delisting thereof.

Section 7.04. Reports by Company.

(a) The Company shall:

- (i) file with the Trustee, within 15 days after the Company files the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Company is not required to file information, documents or reports pursuant to either of said Sections, then it will file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934, in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;
- (ii) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents, and reports with respect to compliance by the Company with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and
- (iii) transmit by mail to all Holders, within 30 days after the filing thereof with the Trustee, in the manner and to the extent provided in Section 7.03 with respect to reports pursuant to Section 7.03, such summaries of any information, documents and reports required to be filed by the Company pursuant to paragraphs (i) and (ii) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.
- (iv) furnish to the Trustee, not less often than annually, the certificate referred to in Section 10.04. For purposes of such certificate, compliance by the Company with respect to the conditions and covenants under this Indenture shall be determined without regard to any period of grace or requirement of notice provided under this Indenture.

(b) All required information, documents and reports referred to in clauses (a)(i),(a)(ii) and (a)(iii) above shall be deemed filed with the Trustee and transmitted to the Holders at the time such information, documents and reports are publicly filed with the Commission via the Commission's Electronic Data Gathering, Analysis, and Retrieval (EDGAR) filing system (or any successor system); provided, however, that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been filed pursuant to the EDGAR filing system (or its successor).

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

ARTICLE 8 CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

Section 8.01. *Company May Consolidate, Etc., Only on Certain Terms.* The Company shall not consolidate with or merge into any other Person or sell, convey, transfer or lease its properties and assets substantially as an entirety to any Person unless:

(a) The Company is the surviving corporation in such merger or consolidation; or the Person formed by such consolidation or into which the Company is merged or the Person which acquires by sale, conveyance, transfer or lease the properties and assets of the Company substantially as an entirety shall be a Person organized and existing under the laws of the United States, any state thereof or the District of Columbia;

(b) the Person formed by such consolidation or into which the Company is merged or the Person which acquires by sale, conveyance, transfer or lease the properties and assets of the Company substantially as an entirety shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, the due and punctual payment of the principal of (and premium, if any) and interest, if any (including all additional amounts, if any, payable pursuant to Section 10.07), on all the Securities and the performance of every covenant of this Indenture on the part of the Company to be performed or observed;

(c) immediately after giving effect to such transaction, and treating any indebtedness which becomes an obligation of the Company as a result of such transaction as having been incurred by the Company at the time of such transaction no Default or Event of Default shall have happened and be continuing; and

(d) the Company or such Person has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, merger, sale, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with.

Section 8.02. *Successor Substituted.* Upon any consolidation or merger by the Company with or into any other Person, or any sale, conveyance, transfer or lease by the Company of the properties and assets of the Company substantially as an entirety to any Person in accordance with Section 8.01, the successor Person formed by such consolidation or into which the Company is merged or to which such sale, conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; and thereafter, the Company (which term shall for this purpose mean the Person named as the “**Company**” in the first paragraph of this Indenture or any successor Person which shall theretofore become such in the manner described in Section 8.01) shall be discharged from all obligations and covenants under this Indenture and the Securities, and may be dissolved and liquidated.

ARTICLE 9
SUPPLEMENTAL INDENTURES

Section 9.01. *Supplemental Indentures Without Consent of Holders.* Without the consent of any Holder of Securities, the Company and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (a) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company herein and in the Securities contained; or
- (b) to add to the covenants of the Company, for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Company; or
- (c) to add any additional Events of Default; or
- (d) to permit the issuance of Securities in uncertificated form, provided that any such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect; or
- (e) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only with respect to Securities not outstanding at the time of the execution of such supplemental indenture; or
- (f) to secure the Securities; or
- (g) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or

(h) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and/or to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 6.11(b);

(i) to cure any ambiguity, to correct or supplement any provision herein, as supplemented, which may be defective or inconsistent with any other provision herein or to conform any provision herein applicable to Securities of any series to the description of the terms of such Securities in any prospectus supplement applicable to the issuance of such Securities; or

(j) to make any other provisions with respect to matters or questions arising under this Indenture, *provided* that such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

Section 9.02. *Supplemental Indentures With Consent of Holders.* With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture (voting as a single class), by Act of said Holders delivered to the Company and the Trustee, the Company and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(a) change the Stated Maturity of the principal of, or any installment of principal of or any interest on, any security, or reduce the principal amount thereof or any rate of interest thereon or any premium payable upon the redemption thereof, or change any obligation of the Company to pay additional amounts pursuant to Section 10.07 (except as contemplated by Section 8.01(a) and permitted by Section 9.01(a)), or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Stated Maturity thereof pursuant to Section 5.02, or change the method in which amounts of payments of principal or any interest thereon are determined, or change any Place of Payment, or change the coin or currency in which any Security or any premium or any interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), or

(b) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(c) modify any of the provisions of this Section, Section 5.13 or Section 10.06, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby, *provided, however*, that this clause shall not be deemed to require the consent of any Holder of a Security with respect to changes in the references to “**the Trustee**” and concomitant changes in this Section and Section 10.06, or the deletion of this proviso, in accordance with the requirements of Section 6.11(b) and 9.01(h).

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 9.03. *Execution of Supplemental Indentures.* In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive and (subject to Section 6.01) shall be fully protected in relying upon, an Officer’s Certificate and an Opinion of Counsel each in compliance with Section 1.02 and each stating that the execution of such supplemental indenture is authorized or permitted by this Indenture, and that such supplemental indenture, when executed and delivered by the Company, will constitute a valid and binding obligation of the Company in accordance with its terms. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise.

Section 9.04. *Effect of Supplemental Indentures.* Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder appertaining thereto shall be bound thereby.

Section 9.05. *Conformity With Trust Indenture Act.* Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

Section 9.06. *Reference in Securities to Supplemental Indentures.* Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form acceptable to the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

ARTICLE 10
COVENANTS

Section 10.01. *Payment of Principal, Premium and Interest.* The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay or cause the Paying Agent to pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of such series of Securities and this Indenture. The Company shall deposit an amount sufficient to pay the principal of (and premium, if any) and interest, if any, on the Securities of that series with the Paying Agent not later than 11:00 a.m., New York City time, on the applicable Interest Payment Date.

Section 10.02. *Maintenance of Office or Agency.* The Company will maintain in each Place of Payment for each series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company with respect to the Securities of that series and this Indenture may be served, any one or more of which offices or agencies may be the same for one or more series of Securities.

The Company will give prompt written notice to the Trustee and prompt notice to the Holders of Securities of such series, as provided in Section 1.06, of the location, and of any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency in respect of any series of Securities or shall fail to furnish the Trustee with the address thereof, or if so specified in the Securities, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies (in or outside any Place of Payment) where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 10.03. *Money for Security Payments to Be Held in Trust.* If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee in writing of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, prior to each due date of the principal of (and premium, if any) or interest, if any, on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent of any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

(a) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons otherwise disposed of as herein provided;

(b) give the Trustee written notice of any Default by the Company (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and

(c) at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest, if any, on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest, if any, has become due and payable shall, unless otherwise required by mandatory provisions of applicable escheat, or abandoned or unclaimed property law, be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

Section 10.04. *Statement as to Compliance.* (a) The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officer's Certificate from its principal executive officer, principal financial officer or principal accounting officer, covering the preceding fiscal year, stating whether or not, to the best knowledge of the signer thereof, the Company is in Default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in Default, specifying all such Defaults and the nature and status thereof of which they may have knowledge.

(b) The Company shall deliver to the Trustee, as soon as possible and in any event within 15 days after the Company becomes aware of the occurrence of any Default or Event of Default an Officer's Certificate setting forth the details of such Default or Event of Default and the action which the Company proposes to take with respect thereto.

Section 10.05. *Corporate Existence.* Subject to Article Eight, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

Section 10.06. *Waiver of Certain Covenants.* The Company may omit in any particular instance to comply with any term, provision or condition set forth in any covenant pursuant to 3.01(s), 9.01(b) or 9.01(g), if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of each series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision, covenant or condition, but no such waiver shall extend to or affect such term, provision, covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee with respect to any such term, provision, covenant or condition shall remain in full force and effect.

Section 10.07. *Additional Amounts.* If the Securities of a series provide for the payment of additional amounts, the Company will pay to the Holder of any Security of such series additional amounts as provided therein. Whenever in this Indenture there is mentioned, in any context, the payment of the principal of or any premium or interest on, or in respect of, any Security of any series or the net proceeds received on the sale or exchange of any Security of any series, such mention shall be deemed to include mention of the payment of additional amounts provided for in this Section to the extent that, in such context, additional amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section and express mention of the payment of additional amounts (if applicable) in any provisions hereof shall not be construed as excluding additional amounts in those provisions hereof where such express mention is not made.

If the Securities of a series provide for the payment of additional amounts, at least 10 days prior to the first Interest Payment Date with respect to that series of Securities (or if the Securities of that series will not bear interest prior to Maturity, the first day on which a payment of principal and any premium is made), and at least 10 days prior to each date of payment of principal and any

premium or interest if there has been any change with respect to the matters set forth in the below-mentioned Officer's Certificate, the Company will furnish the Trustee and the Company's principal Paying Agent or Paying Agents, if other than the Trustee, with an Officer's Certificate instructing the Trustee and such Paying Agent or Paying Agents whether such payment of principal of and any premium or interest on the Securities of that series shall be made to one or more Holders of Securities of that series without withholding for or on account of any tax, assessment or other governmental charge described in the Securities of that series. If any such withholding shall be required, then such Officer's Certificate shall specify by country the amount, if any, required to be withheld on such payments to such Holders of Securities and the Company will pay to the Trustee or such Paying Agent the additional amounts required by this Section. The Company covenants to indemnify the Trustee and any Paying Agent for, and to hold them harmless against, any loss, liability or expense reasonably incurred without negligence or willful misconduct on their part arising out of or in connection with actions taken or omitted by any of them in reliance on any Officer's Certificate furnished pursuant to this Section. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine the Additional Amounts or with respect to the nature, extent, or calculation of the amount of Additional Amounts owed, or with respect to the method employed in such calculation of the Additional Amounts.

ARTICLE 11
REDEMPTION OF SECURITIES

Section 11.01. *Applicability of This Article.* Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

Section 11.02. *Election to Redeem; Notice to Trustee.* The election of the Company to redeem any Securities shall be evidenced by a Board Resolution or an Officer's Certificate of an Authorized Officer authorized to make such election pursuant to a Board Resolution. In case of any redemption at the election of the Company of Securities of any series, the Company shall, subject to Section 11.04 at least 15 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee in writing of such Redemption Date and of the principal amount of Securities of such series to be redeemed, such notice to be accompanied by a written statement signed by an Authorized Officer of the Company stating that no defaults in the payment of interest or Events of Default with respect to the Securities of that series have occurred (which have not been waived or cured). In the case of any redemption of Securities (a) prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, or (b) pursuant to an election of the Company which is subject to a condition, the Company shall furnish the Trustee with an Officer's Certificate evidencing compliance with such restriction or condition.

Section 11.03. *Selection by Trustee of Securities to Be Redeemed.* If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption by lot, pro rata or by such other method as the Trustee shall deem fair and appropriate and in the case of a Global Security, in accordance with the Depository's applicable procedures, and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series or of portions of the principal amount of global Securities of such series.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

Section 11.04. *Notice of Redemption.* Notice of redemption shall be given in the manner provided in Section 1.06 not more than 60 days nor less than 10 days prior to the Redemption Date, to the Holders of Securities to be redeemed. Notices of redemption may be conditioned upon the occurrence of one or more subsequent events specified in the notice.

All notices of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price and any accrued interest;

(iii) if less than all Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed;

(iv) that on the Redemption Date the Redemption Price, and any accrued interest thereon, will become due and payable upon each such Security to be redeemed and that interest thereon shall cease to accrue from and after said date;

(v) the place or places where such Securities are maturing after the Redemption Date, to be surrendered for payment of the Redemption Price and any accrued interest thereon;

(vi) if such be the case, that the installment of interest on Securities whose Stated Maturity is the Redemption Date is payable to the Persons in whose names such Securities are registered at the close of business on the Regular Record Date immediately preceding the Redemption Date;

(vii) that the redemption is for a sinking fund, if such is the case;

(viii) any condition to such redemption; and

(ix) the CUSIP number of the Securities to be redeemed.

Notice of redemption of Securities to be redeemed shall be given by the Company or, at the Company's written request to the Trustee no less than five days (or such shorter period as agreed by the Trustee) prior to the date on which such redemption notice is to be sent to Holders of such series of Securities, by the Trustee in the name and at the expense of the Company.

Section 11.05. *Deposit of Redemption Price.* Not later than 10:00 a.m., New York City time, on any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) any accrued interest on, all the Securities which are to be redeemed on that date.

Section 11.06. *Securities Payable on Redemption Date.* Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall (provided any conditions specified in such notice of redemption shall have been satisfied or waived), on the Redemption Date, become due and payable at the Redemption Price therein specified together with any accrued interest thereon and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest), such Securities shall cease to bear interest. Upon surrender of any such Securities for redemption in accordance with said notice, such Securities shall be paid by the Company at the Redemption Price, together with any accrued interest to the Redemption Date (provided any conditions specified in such notice of redemption shall have been satisfied or waived).

If the Company shall default in the payment of the Redemption Price and accrued interest on any Security called for redemption, the principal (and premium, if any) of such Security shall, until paid or until payment is provided for in accordance herewith, bear interest for the Redemption Date at the rate, if any, prescribed therefor in the Security.

So long as it is actually known to a Responsible Officer of the Trustee that an Event of Default is continuing hereunder, the Trustee shall not redeem any Securities of any series pursuant to this Article (unless all Outstanding Securities of such series are to be redeemed) or mail or give any notice of redemption of Securities except that, where the mailing of notice of redemption of any Securities shall theretofore have been made, the Trustee shall redeem or cause to be redeemed such Securities, provided that it shall have received from the Company a sum sufficient for such redemption. Except as aforesaid, any monies theretofore or thereafter received by the Trustee shall, during the continuance of such Event of Default, be deemed to have been collected under Article Five and held for the payment of all such Securities. In case such Event of Default shall have been waived as provided in Section 5.13 or the Default cured on or before the sixtieth day preceding the Redemption Date, such monies shall thereafter be applied in accordance with the provisions of this Article.

Section 11.07. *Securities Redeemed in Part.* Any Security which is to be redeemed only in part shall be surrendered at any Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and of like tenor, of any authorized denomination as requested by the Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE 12
SINKING FUNDS

Section 12.01. *Applicability of Article.* The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for the Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a “**mandatory sinking fund payment**”, and any payment in excess of such minimum amount provided for by the terms of the Securities of any series is herein referred to as an “**optional sinking fund payment.**” If provided for by the terms of the Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 12.02. Each sinking fund payment made on the Securities of a series shall be applied to the redemption of the Securities of such series as provided for by the terms of the Securities of such series.

Section 12.02. *Satisfaction of Sinking Fund Payments With Securities.* The Company (a) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (b) may apply as a credit the Securities of a series which have been redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment as specified in the Officer’s Certificate delivered pursuant to Section 12.03 with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Section 12.03. *Redemption of Securities for Sinking Fund.* Not less than 60 days or such other shorter period as may be acceptable to the Trustee prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee an Officer's Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 12.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 11.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 11.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.06 and 11.07.

ARTICLE 13
MEETINGS OF THE HOLDERS OF SECURITIES

Section 13.01. *Purposes for Which Meetings May Be Called.* A meeting of Holders of Securities of any series may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be made, given or taken by Holders of Securities of such series.

Section 13.02. *Call, Notice and Place of Meetings.* (a) The Trustee may at any time call a meeting of Holders of Securities of any series issuable as Securities for any purpose specified in Section 13.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, or as the Trustee shall determine. Notice of every meeting of Holders of Securities of any series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 1.06, not less than 21 nor more than 180 days prior to the date fixed for the meeting.

(b) In case at any time the Company shall have requested the Trustee to call a meeting of the Holders of Securities of such series for any purpose specified in Section 13.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have sent the notice of such meeting within 21 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company may determine the time and the place in the Borough of Manhattan, The City of New York, for such meeting and may call such meeting for such purposes by giving notice thereof as provided in subsection (a) of this Section.

Section 13.03. *Persons Entitled to Vote at Meetings.* To be entitled to vote at any meeting of Holders of Securities of any series, a Person shall be (a) a Holder of one or more Outstanding Securities of such series, or (b) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Securities of which series by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Securities of any series shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the

Company and its counsel. The Company may set a record date for purposes of determining the identity of Holders entitled to vote at any meeting of Holders of Securities.

Section 13.04. *Quorum; Action.* The Persons entitled to vote a majority in principal amount of the Outstanding Securities of a series shall constitute a quorum for a meeting of Holders of Securities of such series; *provided, however*, that if any action is to be taken at such meeting with respect to a consent or waiver which this Indenture or the terms of such series expressly provides may be given by the Holders of not less than a specified percentage of the principal amount of the Outstanding Securities of a series, the Persons entitled to vote such specified percentage in principal amount of the Outstanding Securities of such series shall constitute a quorum. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Securities of such series be dissolved. In any other case the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 13.02(a), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the Outstanding Securities of such series which shall constitute a quorum.

Except as limited by the proviso to Section 9.02, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted by the affirmative vote of the Holders of a majority in principal amount of the Outstanding Securities of that series; *provided, however*, that, except as limited by the proviso to Section 9.02, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action which this Indenture or the terms of such series expressly provides may be made, given or taken by the Holders of a specified percentage in principal amount of the Outstanding Securities of a series may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the Outstanding Securities of that series.

Any resolution passed or decision taken at any meeting of Holders of Securities of any series duly held in accordance with this Section shall be binding on all the Holders of Securities of such series, whether or not present or represented at the meeting.

Section 13.05. *Determination of Voting Rights; Conduct and Adjournment of Meeting.* (a) Notwithstanding any other provisions of this Indenture, the Trustee, or the Company, if the meeting shall have been called by the Company or by Holders of Securities as provided in Section 13.02(b), may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of a series in regard to proof of the holding of Securities of such series and of the appointment of proxies and in regard to

the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 1.04 and the appointment of any proxy shall be proved in the manner specified in Section 1.04 or by having the signature of the person executing the proxy witnessed or guaranteed by any trust company, bank or banker authorized by Section 1.04 to certify to the holding of Securities. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1.04 or other proof.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders of Securities as provided in Section 13.02(b), in which case the Company or the Holders of Securities of the series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting.

(c) At any meeting each Holder of a Security of such series or proxy shall be entitled to one vote for each \$1,000 principal amount of the Outstanding Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of a Security of such series or proxy.

(d) Any meeting of Holders of Securities of any series duly called pursuant to Section 13.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.

Section 13.06. *Counting Votes and Recording Action of Meetings.* The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of the Holders of Securities of such series or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Securities of any series shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the Notice of the meeting and showing that said notice was given as provided in Section 13.02 and, if applicable, Section 13.04. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the

meeting and one such copy shall be delivered to the Company, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 13.07. *Force Majeure*. The Trustee shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Trustee (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

Section 13.08. *U.S.A. Patriot Act*. The parties hereto acknowledge that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to federal regulations that became effective on October 1, 2003 (Section 326 of the USA PATRIOT Act) all financial institutions are required to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. The parties to this Indenture agree that it will provide to the Trustee such information as they may request, from time to time, in order for the Trustee to satisfy the requirements of the USA PATRIOT Act, including but not limited to the name, address, tax identification number and other information that will allow it to identify the individual or entity who is establishing the relationship or opening the account and may also ask for formation documents such as articles of incorporation or other identifying documents to be provided.

The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed as of the day and year first above written.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding (with each series voting as a separate class in certain cases specified in the Indenture, or with all series voting as one class, in certain other cases specified in the Indenture), on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notification of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice at the Corporate Trust Office of a continuing Event of Default with respect to this series, the Holders of not

less than 25% in principal amount of the Outstanding Securities of this series and all other affected series shall have made written request to the Trustee to institute such proceeding as trustee (and offered security or indemnity satisfactory to the Trustee), and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities of all affected series a direction inconsistent with such request and shall have failed to institute such proceedings within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of [(and premium, if any)] or [any] interest on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of [(and premium, if any)] and [any] interest [(including additional amounts, as described on the face hereof)] on this Security at the times, place[s] and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of [(and premium, if any)] and any interest on such Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees. The Company and the Trustee shall be entitled to request an opinion of counsel providing that the transfer complies with applicable securities laws.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Notwithstanding anything in the Indenture or in the terms of this Security to the contrary, the exchange of this Security for a Security will be subject to satisfaction of the provisions of the United States tax laws in effect at the time of the exchange. Neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be required to exchange this Security for a Security if (i) as a result thereof and in the Company's judgment, the Company would incur adverse consequences under then applicable United States Federal income tax laws and (ii) in the case of the Trustee or any agent of the Company or the Trustee, the Company shall have delivered to such Person an Officer's Certificate and an Opinion of Counsel as to the matters set forth in clause (i) above.

The Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

The undersigned officer of Exxon Mobil Corporation (the "Company"), acting pursuant to authorization contained in resolutions of the Board of Directors of the Company duly adopted on January 29, 2014 and in resolutions of the Finance Committee of the Board of Directors of the Company duly adopted on January 29, 2014, does hereby authorize, adopt and approve the following terms for (a) a series of the Company's debt securities designated as "Floating Rate Notes due 2017" (the "2017 Floating Rate Notes"); (b) a series of the Company's debt securities designated as "Floating Rate Notes due 2019" (the "2019 Floating Rate Notes" and, together with the 2017 Floating Rate Notes, the "Floating Rate Notes"); (c) a series of the Company's debt securities designated as "0.921% Notes due 2017" (the "2017 Fixed Rate Notes"); (d) a series of the Company's debt securities designated as "1.819% Notes due 2019" (the "2019 Fixed Rate Notes"); and (e) a series of the Company's debt securities designated as "3.176% Notes due 2024" (the "2024 Fixed Rate Notes" and, together with the 2017 Fixed Rate Notes and the 2019 Fixed Rate Notes, the "Fixed Rate Notes" and, the Fixed Rate Notes together with the Floating Rate Notes, the "Notes"), each such series to be issued under an indenture, dated as of March 20, 2014 (the "Indenture"), between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), which Notes have been registered for sale with the Securities and Exchange Commission pursuant to a Registration Statement on Form S-3 (No. 333-194609) under the Securities Act of 1933, as amended. Capitalized terms used but not defined herein shall have the meanings set forth in the Indenture.

I The 2017 Floating Rate Notes are entitled "Floating Rate Notes due 2017". The 2019 Floating Rate Notes are entitled "Floating Rate Notes due 2019". The 2017 Fixed Rate Notes are entitled "0.921% Notes due 2017". The 2019 Fixed Rate Notes are entitled "1.819% Notes due 2019". The 2024 Fixed Rate Notes are entitled "3.176% Notes due 2024".

II (a) The 2017 Floating Rate Notes are limited in aggregate principal amount to U.S. \$750,000,000; (b) the 2019 Floating Rate Notes are limited in aggregate principal amount to U.S. \$500,000,000; (c) the 2017 Fixed Rate Notes are limited in aggregate principal amount to U.S. \$1,500,000,000; (d) the 2019 Fixed Rate Notes are limited in aggregate principal amount to U.S. \$1,750,000,000; and (e) the 2024 Fixed Rate Notes are limited in aggregate principal amount to U.S. \$1,000,000,000, in each case, subject to (i) the Company's right from time to time, without giving notice to or seeking the consent of the holders of a series of the Notes, to issue an unlimited amount of additional securities having the same ranking and the same interest rate, maturity and other terms as such series of the Notes other than issue date, issue price and the payment of interest accruing prior to the issue date of the additional securities (such additional securities having such similar terms, together with the applicable series of the Notes, constituting a single series of securities under the Indenture), *provided* that if such additional securities are not fungible with the then-outstanding Notes of the applicable series for U.S. federal income tax purposes, the additional securities shall have a separate CUSIP number, and (ii) Notes of any series authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes of such series pursuant to the provisions of the Indenture.

III (a) The 2017 Floating Rate Notes will mature on March 15, 2017; (b) the 2019 Floating Rate Notes will mature on March 15, 2019; (c) the 2017 Fixed Rate Notes will mature on March 15, 2017; (d) the 2019 Fixed Rate Notes will mature on March 15, 2019;

and (e) the 2024 Fixed Rate Notes will mature on March 15, 2024, in each case subject to the provisions of the Indenture and this Officer's Certificate relating to acceleration and, in the case of the Fixed Rate Notes, subject to the provisions of the Indenture and this Officer's Certificate relating to optional redemption.

IV The Floating Rate Notes of each series will bear interest at a rate for each Floating Rate Interest Period (as defined below) that is determined by the Calculation Agent on the second London Business Day (as defined below) preceding the first day of such Floating Rate Interest Period (each a "Floating Rate Interest Determination Date"), and computed on the basis of a 360-day year and the actual number of days that have elapsed in the applicable Floating Rate Interest Period. The Calculation Agent has set the initial interest rate on the 2017 Floating Rate Notes at 0.274850% per annum and the initial interest rate on the 2019 Floating Rate Notes at 0.384850% per annum, and will reset such interest rates applicable to the respective series of Floating Rate Notes for each Floating Rate Interest Period on the Floating Rate Interest Payment Date for the preceding Floating Rate Interest Period. Promptly after a Floating Rate Interest Determination Date, the Calculation Agent will inform the Company of the interest rate for the next Floating Rate Interest Period of each series of Floating Rate Notes. Upon written request from any registered Holder of a series of Floating Rate Notes, the Calculation Agent will provide the interest rate in effect on such applicable series of Floating Rate Notes for the current Floating Rate Interest Period and, if such written request is made after the applicable Floating Rate Interest Determination Date, the interest rate to be in effect for the next Floating Rate Interest Period.

The 2017 Floating Rate Notes will bear interest from March 20, 2014, or from the most recent Floating Rate Interest Payment Date (as defined below) to which interest has been paid or provided for (as modified, if applicable, by the succeeding paragraph herein) to, but excluding, the next Floating Rate Interest Payment Date or Maturity (as modified, if applicable, by the succeeding paragraph herein), as the case may be (each of these periods, a "Floating Rate Interest Period"), at a rate per annum equal to three-month LIBOR as determined on the Floating Rate Interest Determination Date plus 0.04%, payable quarterly in arrears on March 15, June 15, September 15 and December 15 of each year (as modified, if applicable, by the succeeding paragraph herein) (each a "Floating Rate Interest Payment Date"), commencing on June 15, 2014 to the persons in whose names the 2017 Floating Rate Notes are registered at the close of business on the immediately preceding March 1, June 1, September 1 or December 1, respectively, whether or not such date is a Business Day (as defined below) (each a "Floating Rate Regular Record Date"). The 2019 Floating Rate Notes will bear interest for each Floating Rate Interest Period at a rate per annum equal to three-month LIBOR as determined on the Floating Rate Interest Determination Date plus 0.15%, payable quarterly in arrears on each Floating Rate Interest Payment Date, commencing on June 15, 2014 to the persons in whose names the 2019 Floating Rate Notes are registered at the close of business on the immediately preceding Floating Rate Regular Record Date, whether or not such date is a Business Day.

If any Floating Rate Interest Payment Date, other than the date of Maturity, falls on a day that is not a Business Day, then such Floating Rate Interest Payment Date will be postponed to the next day that is a Business Day, except that, if that Business Day falls in the next succeeding calendar month, then, unless it relates to interest payable at Maturity, the Floating Rate Interest Payment Date

will be the immediately preceding Business Day. If the date of Maturity of the Floating Rate Notes falls on a day that is not a Business Day, then the related payment of principal and interest will be made on the next day that is a Business Day with the same effect as if made on the date that the payment was first due, and no interest will accrue on the amount so payable for the period from the date of Maturity. This paragraph shall apply to the Floating Rate Notes in lieu of Section 1.14 of the Indenture.

A “Business Day” means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in New York City (or other Place of Payment specified pursuant to the Indenture) are authorized or obligated by law or executive order to close, *provided*, that as such term applies to the Floating Rate Notes, such day is also a London Business Day. A “London Business Day” is a day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

“Three-Month LIBOR” shall be equal to, as of any Floating Rate Interest Determination Date:

- (a) the offered rate to leading banks in the London interbank market for deposits in U.S. dollars having an index maturity of three months, as such rate appears:
 - (i) on the Reuters Monitor Money Rates Service (“Reuters”), page LIBOR 01 (or on such other page as may replace Reuters page LIBOR 01 on that service); or
 - (ii) if Reuters page LIBOR 01 (or such other page as may replace Reuters page LIBOR 01 on that service) is not available on such Floating Rate Interest Determination Date, on such other comparable publicly available service for displaying offered rates for deposits in U.S. dollars in the London interbank market as may be selected by the Company with the consent of the Calculation Agent, in each case as of approximately 11:00 a.m., London time, on such Floating Rate Interest Determination Date.
- (b) If such rate does not appear on either of the pages described in clauses (a)(i) or (ii) above, the Three-Month LIBOR, in respect of such Floating Rate Interest Determination Date, will be determined as follows:
 - (i) the Calculation Agent will request the principal London offices of each of four major reference banks in the London interbank market, as selected by the Calculation Agent (after consultation with the Company), to provide the Calculation Agent with its offered quotation for deposits in U.S. dollars for the period of three months commencing on the applicable Floating Rate Interest Determination Date, to prime banks in the London interbank market at approximately 11:00 a.m., London time, on that Floating Rate Interest Determination Date and in a principal amount of not less than \$1,000,000 for a single transaction in U.S. dollars in such market at such time. If at least two quotations are provided to the Calculation Agent, then the Three-Month LIBOR on such interest determination date will be the arithmetic mean of such quotations.
 - (ii) If fewer than two such quotations are provided, then the Three-Month LIBOR on such Floating Rate Interest Determination Date will be the arithmetic mean of the rates quoted at approximately 11:00 a.m., New York City time, on such Floating Rate Interest Determination Date by three major reference banks in New York City selected by the Calculation Agent (after consultation with the Company) for loans in U.S. dollars to leading European banks, having an index maturity of three months and in a principal amount of not less than \$1,000,000 for a single transaction in U.S. dollars in such market at such time;

provided, however, that if the banks selected by the Calculation Agent are not providing quotations in the manner described by this clause (b), the Three-Month LIBOR determined as of such Floating Rate Interest Determination Date will be the Three-Month LIBOR in effect for the prior Floating Rate Interest Period.

All percentages resulting from any calculation of any interest rate for the Floating Rate Notes of each series will be rounded, if necessary, to the nearest one hundred thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 3.876545% (or .03876545) would be rounded to 3.87655% (or .0387655)), and all U.S. dollar amounts will be rounded to the nearest cent, with one-half cent being rounded upward. Each calculation of the interest rate on the Floating Rate Notes of each series by the Calculation Agent will (in the absence of manifest error) be final and binding on the registered Holders of the Floating Rate Notes of each series, the Trustee and the Company.

The interest rate on the Floating Rate Notes of each series will in no event be higher than the maximum rate permitted by New York law or other applicable state law as such law may be modified by United States law of general application.

Interest on the Fixed Rate Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months. The 2017 Fixed Rate Notes will bear interest from March 20, 2014, or from the most recent Fixed Rate Interest Payment Date (as defined below) to which interest has been paid or provided for to, but excluding, the next Fixed Rate Interest Payment Date or Maturity, as the case may be (each of these periods, a “Fixed Rate Interest Period”), at the rate of 0.921% per annum, payable semi-annually in arrears on March 15 and September 15 of each year (each a “Fixed Rate Interest Payment Date”), commencing on September 15, 2014 to the persons in whose names the 2017 Fixed Rate Notes are registered at the close of business on the immediately preceding March 1 and September 1, respectively, whether or not such date is a Business Day (each a “Fixed Rate Regular Record Date”). The 2019 Fixed Rate Notes will bear interest for each Fixed Rate Interest Period at the rate of 1.819% per annum, payable semi-annually in arrears on each Fixed Rate Interest Payment Date, commencing on September 15, 2014 to the persons in whose names the 2019 Fixed Rate Notes are registered at the close of business on the immediately preceding Fixed Rate Regular Record Date, whether or not such date is a Business Day. The 2024 Fixed Rate Notes will bear interest for each Fixed Rate Interest Period at the rate of 3.176% per annum, payable semi-annually in arrears on each Fixed Rate Interest Payment Date, commencing on September 15, 2014 to the persons in whose names the 2024 Fixed Rate Notes are registered at the close of business on the immediately preceding Fixed Rate Regular Record Date, whether or not such date is a Business Day.

V Principal and interest on the Notes shall be payable, and the Notes may be surrendered for registration of transfer or exchange, at the office or agency of the Company maintained for that purpose, pursuant to the Indenture, which shall initially be the Corporate Trust Office of the Trustee located at, 60 Wall Street, 16th Floor, Trust & Agency Services, New York, New York 10005, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debt.

The Company, by or through the Trustee, may at its option pay interest by United States dollar check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register; *provided, however*, that payments in connection with Global Securities to The Depository Trust Company (“DTC”) will be made by wire transfer of immediately available funds to the account of DTC or its nominee.

VI The Company shall not have the right to redeem the Floating Rate Notes of either series before maturity.

Any or all of the 2017 Fixed Rate Notes are redeemable at the Company’s option, at any time prior to Maturity at a redemption price for any 2017 Fixed Rate Notes to be redeemed on a Redemption Date (as defined herein) equal to the greater of the following amounts:

- 100% of the principal amount of the 2017 Fixed Rate Notes being redeemed; or
- the sum of the present values of the remaining scheduled payments of principal and interest on the 2017 Fixed Rate Notes being redeemed on that Redemption Date (not including any portion of any payments of interest accrued to such Redemption Date) discounted to their present value as of such Redemption Date on a semiannual basis at the Treasury Rate (as defined herein), as determined by the Reference Treasury Dealer (as defined herein), plus 3 basis points;

plus, in each case, accrued and unpaid interest on such 2017 Fixed Rate Notes to the Redemption Date.

Any or all of the 2019 Fixed Rate Notes are redeemable at the Company’s option, at any time prior to February 15, 2019 (one month before Maturity) at a redemption price for any 2019 Fixed Rate Notes to be redeemed on a Redemption Date equal to the greater of the following amounts:

- 100% of the principal amount of the 2019 Fixed Rate Notes being redeemed; or
- the sum of the present values of the remaining scheduled payments of principal and interest on the 2019 Fixed Rate Notes being redeemed on that Redemption Date (not including any portion of any payments of interest accrued to such Redemption Date) discounted to their present value as of such Redemption Date on a semiannual basis at the Treasury Rate, as determined by the Reference Treasury Dealer, plus 5 basis points; plus, in each case, accrued and unpaid interest

on such 2019 Fixed Rate Notes to the Redemption Date. Any or all of the 2019 Fixed Rate Notes are redeemable at the Company's option, at any time on or after February 15, 2019 (the date that is one month before Maturity), at a redemption price for any 2019 Fixed Rate Notes to be redeemed on a Redemption Date equal to 100% of the principal amount of the 2019 Fixed Rate Notes being redeemed on such Redemption Date plus, in each case, accrued and unpaid interest on the 2019 Fixed Rate Notes to such Redemption Date.

Any or all of the 2024 Fixed Rate Notes are redeemable at the Company's option, at any time prior to December 15, 2023 (three months before Maturity) at a redemption price for any 2024 Fixed Rate Notes to be redeemed on a Redemption Date equal to the greater of the following amounts:

- 100% of the principal amount of the 2024 Fixed Rate Notes being redeemed; or
- the sum of the present values of the remaining scheduled payments of principal and interest on the 2024 Fixed Rate Notes being redeemed on that Redemption Date (not including any portion of any payments of interest accrued to such Redemption Date) discounted to their present value as of such Redemption Date on a semiannual basis at the Treasury Rate, as determined by the Reference Treasury Dealer, plus 7 basis points;

plus, in each case, accrued and unpaid interest on such 2024 Fixed Rate Notes to the Redemption Date. Any or all of the 2024 Fixed Rate Notes are redeemable at the Company's option, at any time on or after December 15, 2023 (the date that is three months before Maturity), at a redemption price for any 2024 Fixed Rate Notes to be redeemed on a Redemption Date equal to 100% of the principal amount of the 2024 Fixed Rate Notes being redeemed on such Redemption Date plus, in each case, accrued and unpaid interest on the 2024 Fixed Rate Notes to such Redemption Date.

Notwithstanding the foregoing, installments of interest on the Fixed Rate Notes that are due and payable on Fixed Rate Interest Payment Dates falling on or prior to a Redemption Date will be payable on the relevant Fixed Rate Interest Payment Date to the Holders of such Fixed Rate Notes as of the close of business on the Fixed Rate Regular Record Date immediately preceding such Fixed Rate Interest Payment Date. The redemption price will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

The Company will send notice of any redemption not more than 60 nor less than 10 days before the Redemption Date to each registered Holder of the Fixed Rate Notes to be redeemed, with such notice to be sent in accordance with the provisions of the Indenture. Once notice of redemption is sent, the Fixed Rate Notes called for redemption will become due and payable on the Redemption Date and at the applicable redemption price, plus accrued and unpaid interest to the Redemption Date, subject to any conditions precedent specified in such notice.

On and after the Redemption Date, interest will cease to accrue on the Fixed Rate Notes or any portion of the Fixed Rate Notes called for redemption (unless the Company defaults in the payment of the redemption price and accrued interest). On or before the Redemption Date, the Company will deposit with a paying agent or the Trustee money sufficient to pay the redemption price of

and accrued interest on the Fixed Rate Notes to be redeemed on that date. If less than all of the Fixed Rate Notes of a series are to be redeemed, the Fixed Rate Notes of that series to be redeemed shall be selected by the Trustee pro rata, by lot, or by such other method the Trustee deems to be fair and appropriate, in each case in accordance with the applicable procedures of DTC.

For purposes of this Clause VI:

“*Comparable Treasury Issue*” means the United States Treasury security having a maturity comparable to the remaining term of the Fixed Rate Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Fixed Rate Notes.

“*Comparable Treasury Price*” means, with respect to any Redemption Date, (a) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (b) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations, or (c) if only one Reference Treasury Dealer Quotation is received, such quotation.

“*Redemption Date*” means, with respect to the Fixed Rate Notes of each series, any date fixed for redemption by or pursuant to the Indenture and such Fixed Rates Notes.

“*Reference Treasury Dealer*” means (a) each of Morgan Stanley & Co. LLC, J.P. Morgan Securities LLC and HSBC Securities (USA) Inc. (or their respective affiliates which are Primary Treasury Dealers (as defined below)), and their respective successors; *provided, however*, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer in the United States of America (a “Primary Treasury Dealer”), the Company will substitute therefor another Primary Treasury Dealer; and (b) any other Primary Treasury Dealer(s) selected by the Company.

“*Reference Treasury Dealer Quotation*” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the applicable Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third Business Day preceding such Redemption Date.

“*Treasury Rate*” means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity of the applicable Comparable Treasury Issue, assuming a price for such Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

VII The Notes shall not be entitled to the benefit of any mandatory redemption or sinking fund.

VIII The Notes shall be issued only in denominations of U.S. \$2,000, and any integral multiple of U.S. \$1,000 in excess thereof.

IX The Trustee, Paying Agent and Security Registrar for the Notes shall initially be Deutsche Bank Trust Company Americas. The Calculation Agent for the Floating Rate Notes shall initially be Deutsche Bank Trust Company Americas, unless and until such time as a successor is appointed. If that bank is unable or unwilling to continue to act as the Calculation Agent or if it fails to calculate properly the interest rate on the Floating Rate Notes for any Floating Rate Interest Period, the Company will appoint another leading commercial or investment bank engaged in the London interbank market to act as Calculation Agent in its place. The Calculation Agent may not resign its duties without a successor having been appointed.

X Upon issuance, the Notes of each series will be represented by one or more global Securities representing all of the aggregate principal amount of such Notes and will be registered in the name of the nominee of DTC, which will act as depository. DTC, or any successor depository for the Notes permitted by the terms of the Indenture, this Officer's Certificate and the Notes, is hereinafter referred to as the "Depository." Except as set forth in the Indenture, owners of beneficial interests in the Notes will not be entitled to have Notes registered in their names, will not receive or be entitled to receive Notes in definitive form and will not be considered Holders of Notes under the Indenture.

Notwithstanding any other provisions of the Indenture, this Officer's Certificate or the Notes, unless and until exchanged in whole or in part for the individual Securities represented thereby, the global Security or Securities representing all or a portion of the Notes of the applicable series may not be transferred except, as provided in Section 3.05 of the Indenture, by the Depository to another nominee of the Depository for the Notes, or by a nominee of such Depository to such Depository or another nominee of such Depository, or by such Depository or any such nominee to a successor Depository or nominee of such successor Depository.

XI The Notes shall be defeasible pursuant to Section 4.03 of the Indenture.

XII The issue price to public of the 2017 Floating Rate Notes shall be 100.000% of the principal amount of the 2017 Floating Rate Notes. The issue price to public of the 2019 Floating Rate Notes shall be 100.000% of the principal amount of the 2019 Floating Rate Notes. The issue price to public of the 2017 Fixed Rate Notes shall be 100.000% of the principal amount of the 2017 Fixed Rate Notes. The issue price to public of the 2019 Fixed Rate Notes shall be 100.000% of the principal amount of the 2019 Fixed Rate Notes. The issue price to public of the 2024 Fixed Rate Notes shall be 100.000% of the principal amount of the 2024 Fixed Rate Notes.

XIII The underwriters' commission or discount as a percentage of the principal amount of the 2017 Floating Rate Notes shall be 0.100% of the principal amount of the 2017 Floating Rate Notes. The underwriters' commission or discount as a percentage of the principal amount of the 2019 Floating Rate Notes shall be 0.150% of the principal amount of the 2019 Floating Rate Notes. The underwriters' commission or discount as a percentage of the principal amount of the 2017 Fixed Rate Notes shall be 0.100% of the principal amount of the 2017 Fixed Rate Notes. The underwriters' commission or discount as a percentage of the principal amount of the 2019 Fixed Rate Notes shall be 0.150% of the principal amount of the 2019 Fixed Rate Notes. The underwriters' commission or discount as a percentage of the principal amount of the 2024 Fixed Rate Notes shall be 0.200% of the principal amount of the 2024 Fixed Rate Notes.

Furthermore, we hereby approve the form of and authorize the execution and delivery of the Notes substantially in the forms attached hereto as Exhibit A, Exhibit B, Exhibit C, Exhibit D and Exhibit E.

IN WITNESS WHEREOF the undersigned has executed this Officer's Certificate on behalf of the Company as of this 20th day of March, 2014.

Title: Authorized Signatory

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of March 20, 2014 (as supplemented by the Officer's Certificate setting forth the terms of the Securities dated as of the date hereof, herein called the "Indenture"), between the Company and Deutsche Bank Trust Company Americas, as Trustee (herein called the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, limited in aggregate principal amount to U.S. \$750,000,000, subject to (i) the Company's right from time to time, without giving notice to or seeking the consent of the holders of the Securities, to issue an unlimited amount of additional securities in one or more series having the same ranking and the same interest rate, maturity and other terms as the Securities other than issue date, issue price and the payment of interest accruing prior to the issue date of the additional securities (such additional securities having such similar terms, together with the Securities of this series, constituting a single issue of Securities under the Indenture), *provided* that if such additional securities are not fungible with the then-outstanding Securities of this series for U.S. federal income tax purposes, the additional securities shall have a separate CUSIP number, and (ii) Securities of this series authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of this series pursuant to the provisions of the Indenture. The Securities of this series are issuable as Securities only in registered form, without coupons in denominations of U.S. \$2,000 or any integral multiple of U.S. \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of any authorized denominations, as requested by the Holder surrendering the same, upon surrender of the Security or Securities to be exchanged at any office or agency described below where Securities of this series may be presented for registration of transfer.

Subject to certain conditions set forth in the Indenture, the Company at any time may discharge or defease some of or all of its obligations under this Security and the Indenture in accordance with Section 4.03 of the Indenture.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding (with each series voting as a separate class in certain cases specified in the Indenture, or with all series voting as one class, in certain other cases specified in the Indenture), on behalf of the

Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notification of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice at the Corporate Trust Office of a continuing Event of Default with respect to this series, the Holders of not less than 25% in principal amount of the Outstanding Securities of this series and all other affected series shall have made written request to the Trustee to institute such proceeding as trustee (and offered security or indemnity satisfactory to the Trustee), and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities of all affected series a direction inconsistent with such request and shall have failed to institute such proceedings within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of or any interest on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of or any interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any interest on such Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees. The Company and the Trustee shall be entitled to request an opinion of counsel providing that the transfer complies with applicable securities laws.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Notwithstanding anything in the Indenture or in the terms of this Security to the contrary, the exchange of this Security for a Security will be subject to satisfaction of the provisions of the United States tax laws in effect at the time of the exchange. Neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be required to exchange this Security for a Security if (a) as a result thereof and in the Company's judgment, the Company would incur adverse consequences under then applicable United States Federal income tax laws and (b) in the case of the Trustee or any agent of the Company or the Trustee, the Company shall have delivered to such Person an Officer's Certificate and an Opinion of Counsel as to the matters set forth in clause (a) above.

The Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of March 20, 2014 (as supplemented by the Officer's Certificate setting forth the terms of the Securities dated as of the date hereof, herein called the "Indenture"), between the Company and Deutsche Bank Trust Company Americas, as Trustee (herein called the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, limited in aggregate principal amount to U.S. \$1,500,000,000, subject to (i) the Company's right from time to time, without giving notice to or seeking the consent of the holders of the Securities, to issue an unlimited amount of additional securities in one or more series having the same ranking and the same interest rate, maturity and other terms as the Securities other than issue date, issue price and the payment of interest accruing prior to the issue date of the additional securities (such additional securities having such similar terms, together with the Securities of this series, constituting a single issue of Securities under the Indenture), *provided* that if such additional securities are not fungible with the then-outstanding Securities of this series for U.S. federal income tax purposes, the additional securities shall have a separate CUSIP number, and (ii) Securities of this series authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of this series pursuant to the provisions of the Indenture. The Securities of this series are issuable as Securities only in registered form, without coupons in denominations of U.S. \$2,000 or any integral multiple of U.S. \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of any authorized denominations, as requested by the Holder surrendering the same, upon surrender of the Security or Securities to be exchanged at any office or agency described below where Securities of this series may be presented for registration of transfer.

Any or all of the Securities of this series are redeemable at the Company's option at any time. The redemption price for any Securities to be redeemed on any date fixed for redemption by or pursuant to the Indenture and the Securities (a "Redemption Date") that is prior to Maturity of the Securities will be equal to the greater of the following amounts:

- 100% of the principal amount of the Securities being redeemed; or
- the sum of the present values of the remaining scheduled payments of principal and interest on the Securities being redeemed on that Redemption Date (not including any portion of any payments of interest accrued to such Redemption Date) discounted to their present value as of such Redemption Date on a semiannual basis at the Treasury Rate (as defined herein), as determined by the Reference Treasury Dealer (as defined herein), plus 3 basis points;

plus, in each case, accrued and unpaid interest on the Securities to such Redemption Date.

Notwithstanding the foregoing, installments of interest on the Securities that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the relevant Interest Payment Date to the Holders of the Securities as of the close of business on the Regular Record Date immediately preceding such Interest Payment Date. The redemption price will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

Partial redemption must be made in an amount not less than U.S. \$2,000 or any integral multiple of U.S. \$1,000 in excess thereof.

Notice of redemption will be sent to Holders of Securities, not more than 60 days nor less than 10 days prior to the date fixed for redemption, all as provided in the Indenture.

In the event of redemption of this Security in part only, a new Security or Securities of this series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.

“Comparable Treasury Issue” means the United States Treasury security having a maturity comparable to the remaining term of the Securities to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Securities.

“Comparable Treasury Price” means, with respect to any Redemption Date, (a) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (b) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations, or (c) if only one Reference Treasury Dealer Quotation is received, such quotation.

“Reference Treasury Dealer” means (a) each of HSBC Securities (USA) Inc., J.P. Morgan Securities LLC and Morgan Stanley & Co. LLC (or their respective affiliates which are Primary Treasury Dealers (as defined below)), and their respective successors; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer in the United States of America (a “Primary Treasury Dealer”), the Company will substitute therefor another Primary Treasury Dealer; and (b) any other Primary Treasury Dealer(s) selected by the Company.

“Reference Treasury Dealer Quotation” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the applicable Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third Business Day preceding such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity of the applicable Comparable Treasury Issue, assuming a price for such Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

Subject to certain conditions set forth in the Indenture, the Company at any time may discharge or defease some of or all its obligations under this Security and the Indenture in accordance with Section 4.03 of the Indenture.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding (with each series voting as a separate class in certain cases specified in the Indenture, or with all series voting as one class, in certain other cases specified in the Indenture), on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notification of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice at the Corporate Trust Office of a continuing Event of Default with respect to this series, the Holders of not less than 25% in principal amount of the Outstanding Securities of this series and all other affected series shall have made written request to the Trustee to institute such proceeding as trustee (and offered security or indemnity satisfactory to the Trustee), and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities of all affected series a direction inconsistent with such request and shall have failed to institute such proceedings within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of (and premium, if any) or any interest on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and any interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of (and premium, if any) and any interest on such Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or

his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees. The Company and the Trustee shall be entitled to request an opinion of counsel providing that the transfer complies with applicable securities laws.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Notwithstanding anything in the Indenture or in the terms of this Security to the contrary, the exchange of this Security for a Security will be subject to satisfaction of the provisions of the United States tax laws in effect at the time of the exchange. Neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be required to exchange this Security for a Security if (a) as a result thereof and in the Company's judgment, the Company would incur adverse consequences under then applicable United States Federal income tax laws and (b) in the case of the Trustee or any agent of the Company or the Trustee, the Company shall have delivered to such Person an Officer's Certificate and an Opinion of Counsel as to the matters set forth in clause (a) above.

The Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Title: Authorized Signatory

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of March 20, 2014 (as supplemented by the Officer's Certificate setting forth the terms of the Securities dated as of the date hereof, herein called the "Indenture"), between the Company and Deutsche Bank Trust Company Americas, as Trustee (herein called the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, limited in aggregate principal amount to U.S. \$1,750,000,000, subject to (i) the Company's right from time to time, without giving notice to or seeking the consent of the holders of the Securities, to issue an unlimited amount of additional securities in one or more series having the same ranking and the same interest rate, maturity and other terms as the Securities other than issue date, issue price and the payment of interest accruing prior to the issue date of the additional securities (such additional securities having such similar terms, together with the Securities of this series, constituting a single issue of Securities under the Indenture), *provided* that if such additional securities are not fungible with the then-outstanding Securities of this series for U.S. federal income tax purposes, the additional securities shall have a separate CUSIP number, and (ii) Securities of this series authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of this series pursuant to the provisions of the Indenture. The Securities of this series are issuable as Securities only in registered form, without coupons in denominations of U.S. \$2,000 or any integral multiple of U.S. \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of any authorized denominations, as requested by the Holder surrendering the same, upon surrender of the Security or Securities to be exchanged at any office or agency described below where Securities of this series may be presented for registration of transfer.

Any or all of the Securities of this series are redeemable at the Company's option at any time. The redemption price for any Securities to be redeemed on any date fixed for redemption by or pursuant to the Indenture and the Securities (a "Redemption Date") that is prior to February 15, 2019 (one month before Maturity of the Securities) will be equal to the greater of the following amounts:

- 100% of the principal amount of the Securities being redeemed; or
- the sum of the present values of the remaining scheduled payments of principal and interest on the Securities being redeemed on that Redemption Date (not including any portion of any payments of interest accrued to such Redemption Date) discounted to their present value as of such Redemption Date on a semiannual basis at the Treasury Rate (as defined herein), as determined by the Reference Treasury Dealer (as defined herein), plus 5 basis points;

plus, in each case, accrued and unpaid interest on the Securities to such Redemption Date.

The redemption price for any Securities to be redeemed on a Redemption Date that is on or after February 15, 2019 (one month before Maturity of the Securities) will be equal to 100% of the principal amount of the Securities being redeemed on such Redemption Date, plus accrued and unpaid interest on such Securities to such Redemption Date.

Notwithstanding the foregoing, installments of interest on the Securities that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the relevant Interest Payment Date to the Holders of the Securities as of the close of business on the Regular Record Date immediately preceding such Interest Payment Date. The redemption price will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

Partial redemption must be made in an amount not less than U.S. \$2,000 or any integral multiple of U.S. \$1,000 in excess thereof.

Notice of redemption will be sent to Holders of Securities, not more than 60 days nor less than 10 days prior to the date fixed for redemption, all as provided in the Indenture.

In the event of redemption of this Security in part only, a new Security or Securities of this series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.

“Comparable Treasury Issue” means the United States Treasury security having a maturity comparable to the remaining term of the Securities to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Securities.

“Comparable Treasury Price” means, with respect to any Redemption Date, (a) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (b) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations, or (c) if only one Reference Treasury Dealer Quotation is received, such quotation.

“Reference Treasury Dealer” means (a) each of HSBC Securities (USA) Inc., J.P. Morgan Securities LLC and Morgan Stanley & Co. LLC (or their respective affiliates which are Primary Treasury Dealers (as defined below)), and their respective successors; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer in the United States of America (a “Primary Treasury Dealer”), the Company will substitute therefor another Primary Treasury Dealer; and (b) any other Primary Treasury Dealer(s) selected by the Company.

“Reference Treasury Dealer Quotation” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the applicable Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third Business Day preceding such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity of the applicable Comparable Treasury Issue, assuming a price for such Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

Subject to certain conditions set forth in the Indenture, the Company at any time may discharge or defease some of or all its obligations under this Security and the Indenture in accordance with Section 4.03 of the Indenture.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding (with each series voting as a separate class in certain cases specified in the Indenture, or with all series voting as one class, in certain other cases specified in the Indenture), on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notification of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice at the Corporate Trust Office of a continuing Event of Default with respect to this series, the Holders of not less than 25% in principal amount of the Outstanding Securities of this series and all other affected series shall have made written request to the Trustee to institute such proceeding as trustee (and offered security or indemnity satisfactory to the Trustee), and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities of all affected series a direction inconsistent with such request and shall have failed to institute such proceedings within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of (and premium, if any) or any interest on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and any interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of (and premium, if any) and any interest on such Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees. The Company and the Trustee shall be entitled to request an opinion of counsel providing that the transfer complies with applicable securities laws.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Notwithstanding anything in the Indenture or in the terms of this Security to the contrary, the exchange of this Security for a Security will be subject to satisfaction of the provisions of the United States tax laws in effect at the time of the exchange. Neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be required to exchange this Security for a Security if (a) as a result thereof and in the Company's judgment, the Company would incur adverse consequences under then applicable United States Federal income tax laws and (b) in the case of the Trustee or any agent of the Company or the Trustee, the Company shall have delivered to such Person an Officer's Certificate and an Opinion of Counsel as to the matters set forth in clause (a) above.

The Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding (with each series voting as a separate class in certain cases specified in the Indenture, or with all series voting as one class, in certain other cases specified in the Indenture), on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notification of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice at the Corporate Trust Office of a continuing Event of Default with respect to this series, the Holders of not less than 25% in principal amount of the Outstanding Securities of this series and all other affected series shall have made written request to the Trustee to institute such proceeding as trustee (and offered security or indemnity satisfactory to the Trustee), and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities of all affected series a direction inconsistent with such request and shall have failed to institute such proceedings within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of (and premium, if any) or any interest on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and any interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of (and premium, if any) and any interest on such Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees. The Company and the Trustee shall be entitled to request an opinion of counsel providing that the transfer complies with applicable securities laws.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Notwithstanding anything in the Indenture or in the terms of this Security to the contrary, the exchange of this Security for a Security will be subject to satisfaction of the provisions of the United States tax laws in effect at the time of the exchange. Neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be required to exchange this Security for a Security if (a) as a result thereof and in the Company's judgment, the Company would incur adverse consequences under then applicable United States Federal income tax laws and (b) in the case of the Trustee or any agent of the Company or the Trustee, the Company shall have delivered to such Person an Officer's Certificate and an Opinion of Counsel as to the matters set forth in clause (a) above.

The Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.
