<p>We recently announced a new proposal to create a #CCS Innovation Zone in Houston to help meet the goals of the Paris Agreement. As the global leader in CCS, having cumulatively captured more anthropogenic CO2 around the world than anyone else, we're uniquely positioned to help advance this technology. Learn more here: https://exxonmobil.co/32wQTO0</p>	<p>Energy Factor article on CCS project https://energyfactor.exxonmobil.com/insights/partners/houston-ccs-hub/</p>	 <p>Video from EM tweet</p>

Philippe Ducom LinkedIn Personal Profile	<p>#CCS is one of the technologies that is helping to reduce emissions globally. It's great to see another game-changing proposal from the business to move forward in this area. Read more in the article below, and through #EnergyFactor here: [LINK TO EF BLOG]</p>
